ASSIGNMENT

WHEREAS, the below named company, hereinafter referred to as Assignor(s), have made an invention entitled:

RAIL ATTACHMENT MECHANISM

executed on even date herewith and about to be filed in the United States Patent Office; or for which U.S. Patent Application Ser. 13/525,869 was filed on June 18, 2012;

WHEREAS, INSIGHT TECHNOLOGY INCORPORATED (hereinafter referred to as Assignor) a corporation of New Hampshire having a place of business at Nine Akira Way, Londonderry, NH 03053 on April 14, 2010 was acquired by L-3 Communications Corporation a corporation of Delaware having a place of business at 600 Third Avenue New York, NY 10016; and.

WHEREAS, L-3 Communications Corporation a corporation of Delaware having a place of business at 600 Third Avenue New York, NY 10016 (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that for valuable consideration the receipt of which from assignee is hereby acknowledged, we, as assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right title and interest in and to this invention and this application, and all divisions, continuations, continuations-in-part, or renewals thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues or extensions of such patents thereof, and all rights to claim priority on the basis of such application, and all applications for Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, reexaminations, and reissues thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that we have the full right to convey the interest assigned by this Assignment, and we have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that we will, without further consideration, communicate with assignee, its successors and assigns, any facts known to us respecting this

invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect title to this invention in assignee, its successors and assigns, execute all divisional, continuation, continuation-in-part, reissue, and reexamination applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for this Invention in the United States and any foreign country, it being understood than any expense incident to the execution of such papers shall be borne by assignee, its successors and assigns.

IN TESTIMONY WHEREOF, I have set my hand this 24th day of July, 2012.
