PARTIAL RELEASE OF SECURITY INTEREST IN PATENTS

THIS PARTIAL RELEASE OF SECURITY INTEREST IN PATENTS (this "Partial Release") is made as of July 20, 2012 ("Effective Date") by **Jefferies Finance LLC**, in its capacity as collateral agent for the secured parties, a Delaware limited liability company, 520 Madison Avenue, New York, New York 10022 (the "Collateral Agent"), in favor of **Emerald Performance Materials, LLC**, a Delaware limited liability company, 2020 Front Street, Suite 100, Cuyahoga Falls, Ohio 44221 (the "Borrower"), and each guarantor listed on Schedule 1 hereto (collectively, the "Original Guarantors," together with the Borrower, the "Pledgors").

WHEREAS, pursuant to the terms and conditions of that certain Patent Security Agreement executed by the Pledgors in favor of the Collateral Agent dated May 18, 2012 (the "Patent Security Agreement"), each Pledgor granted to the Collateral Agent a continuing security interest in and to all of its right, title and interest in and to the Patent Collateral (as defined in the Patent Security Agreement), including, without limitation, the patents set forth on Schedule 2 attached hereto (the "Specified Patents");

WHEREAS, the Pledgors and the Collateral Agent entered into the Patent Security Agreement pursuant to the terms and conditions of that certain Security Agreement by Pledgors in favor of the Collateral Agent dated May 18, 2012 (the "Security Agreement");

WHEREAS, the Patent Security Agreement was recorded with the United States Patent and Trademark Office on June 19, 2012, at Reel/Frame 028405/0527; and

WHEREAS, none of the Pledgors ever held any right, title or interest in the Specified Patents, which were erroneously included in the Patent Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent hereby terminates, cancels and releases any and all security interests it has against the Specified Patents without representation, warranty or recourse of any kind whatsoever, to be effective as of and from May 18, 2012.

Nothing herein is, or shall be deemed, a termination, cancellation, release or other modification of the Collateral Agent's and the secured parties' security interests or liens on any other asset of the Pledgors constituting Patent Collateral. Except as to the Specified Patents, the security interests and liens of the Collateral Agent and secured parties in any asset of the Pledgors constituting Patent Collateral continue in full force and effect to the same extent as if this Partial Release had not been provided. Collateral Agent hereby confirms its lien on and security interest in all right, title and interest in and to all other Patent Collateral pledged to it under the Patent Security Agreement.

The release of the Collateral Agent's security interest in the Specified Patents shall not be construed to evidence or reflect the payment or satisfaction of any of the indebtedness or other obligations of the Pledgors to the Collateral Agent or any of the secured parties.

* * * * *

IN WITNESS WHEREOF, The Collateral Agent has caused this Partial Release to be executed by its duly authorized representative as of the Effective Date.

JEFFERIES FINANCE LLC

Name: E. J. Hess
