## INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") dated as of June 29, 2012, is by and between SHOCK DOCTOR, INC., a Delaware corporation ("Borrower"), and BMO HARRIS BANK N.A., a national banking association (in its capacity as Agent for the ratable benefit of the Banks referred to below) (the "Secured Party").

### RECITALS:

A. Borrower, the Secured Party and the Banks are parties to that certain Credit Agreement dated as of the date hereof (as amended, modified, supplemented, restated, or replaced from time to time, the "Credit Agreement") pursuant to which the Banks from time to time party thereto (collectively, the "Banks") are providing financial accommodations to Borrower. Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Credit Agreement.

B. As a condition to entering into the Credit Agreement, the Banks require that Borrower execute this Agreement.

### AGREEMENTS:

IN CONSIDERATION of one dollar and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Grant of Security Interest and Collateral. To secure the payment and performance of each and every debt, liability and obligation of every type and description which Borrower may now or at any time hereafter owe to the Secured Party and the Banks whether such debt, liability or obligation now exists or is hereafter created or incurred, whether it arises under or is evidenced by this Agreement, the Credit Agreement or other agreements evidencing loans made by any Bank to Borrower, or any other present or future instrument or agreement or by operation of law, and whether it is or may be direct or indirect, due or to become due, absolute or contingent, primary or secondary, liquidated or unliquidated, or sole, joint, several or joint and several (all such debts, liabilities and obligations are herein collectively referred to as the "Obligations"), Borrower hereby grants the Secured Party (for the ratable benefit of the Banks) a security interest (the "Security Interest"), with power of sale, in all of the intellectual property of Borrower (the "Collateral"), including but not limited to the intellectual property described in Exhibit A and the following:

(a) Patents. (i) All patents and patent applications on Schedule 1 of Exhibit A hereto, (ii) all reissues, divisions, continuations, renewals, extensions, continuations-in-part thereof, (iii) all income, royalties, damages and payments now or hereafter due and/or payable with respect thereto, including but not limited to under any licenses and any damages for past, present or future infringement thereof, (iv) the right to sue for past, present or future infringements thereof, and (v) all rights corresponding thereto

throughout the world (all such items described in this subsection (a) referred to as "Patents");

(b) Trademarks. (i) All registered trade names, trademarks, service marks and applications therefore listed on Schedule 2 of Exhibit A hereto, (ii) any renewals thereof, (iii) all income, royalties, damages and payments now or hereafter due and/or payable with respect thereto, including but not limited to under any licenses and any damages for past, present or future infringement thereof, (iv) the right to sue for past, present or future infringements thereof, (v) all rights corresponding thereto throughout the world, (vi) all goodwill of Borrower's business connected with and symbolized by the foregoing (all such items described in this subsection (b) referred to as "Trademarks"); and (vii) license agreements with any other party in connection with any Trademarks or such other party's trademarks, registered trademarks and trademark applications, trade names, service marks, registered service marks and service mark applications, whether Borrower is a licensor or licensee under such license agreement, including but not limited to, the material license agreements listed on Schedule 3 of Exhibit A, and, to the extent permitted therein, the right upon the occurrence and during the continuance of an Event of Default to use the foregoing in connection with the enforcement of the Secured Party's rights under the Loan Documents (all of the foregoing being hereinafter referred to collectively as the "Trademark Licenses").

(c) Copyrights. (i) All registered copyrights listed on Schedule 4 of Exhibit A hereto, (ii) any renewals thereof, (iii) all income, royalties, damages and payments now or hereafter due and/or payable with respect thereto, including but not limited to under any licenses and any damages for past, present or future infringement thereof, (iv) the right to sue for past, present or future infringements thereof, and (v) all rights corresponding thereto throughout the world (all such items described in this subsection (c) referred to as "Copyrights");

(d) Miscellaneous. All inventions, discoveries, ideas, technology, know-how, trade secrets, processes, formulas, models, prototypes, drawings and designs, computer software programs, and documents, computer disks, source codes, object codes, lab books or other materials related thereto; and

(e) Proceeds. All proceeds of any of the foregoing (the "Proceeds").

2. Representations, Warranties and Agreements. Borrower represents, warrants and agrees that:

(a) The Patents, Trademarks, Trademark Licenses and Copyrights listed on Schedules 1, 2, 3 and 4, respectively, constitute all of the registered patents, trademarks, material licenses, copyrights and applications and registrations therefor now owned by Borrower. If, before the Obligations are Satisfied in Full (as used herein, "Obligations are Satisfied in Full") means that all Obligations shall have been indefeasibly satisfied in full in cash, all of the Banks' commitments to lend to Borrower shall have expired or been terminated, and all Letters of Credit shall have expired or been cash collateralized),

Borrower shall (i) obtain rights to any new patentable inventions, registrable trademarks, trademark registrations, trade names or registered copyrights, (ii) become entitled to the benefit of any patent, trademark, copyright or registration thereof, or patent for any reissue, division, continuation, renewal, extension or continuation-in-part of any Patent or any improvement on any Patent, or (iii) become a party to or subject to any trademark license, then the provisions of Section 1 above shall automatically apply thereto and Borrower shall give to the Secured Party prompt written notice thereof (and with respect to the trademark licenses, Borrower only needs to give Secured Party notice of material licenses). Borrower hereby authorizes the Secured Party to modify this Agreement by amending Schedule 1, 2, 3 and/or 4, as applicable, to include any future patents, patent applications, trademarks, trademark registrations, trademark applications, trade names, material licenses and copyright registrations which are Patents, Trademarks, Trademark Licenses or Copyrights, as applicable, under Section 1 above.

(b) Except as set forth in Schedule 2(b) hereof, Borrower has (or will have at the time Borrower acquires rights in Collateral hereafter arising) absolute title to each item of Collateral free and clear of all security interests, liens and encumbrances, except the Security Interest. Except as set forth in Schedule 2(b) hereof, Borrower will keep all Collateral free and clear of all security interests, liens and encumbrances and will defend the Collateral against all claims or demands of all persons other than the Secured Party.

(c) Except as set forth in Schedule 2(c) hereof, until the Obligations are Satisfied in Full, Borrower will not, without the Secured Party's prior written consent, sell any of the Collateral or enter into any agreement which is inconsistent with Borrower's obligations or the Secured Party's rights under this Agreement. Borrower further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would materially and adversely affect the validity of the Collateral or enforcement of the Secured Party's rights in the Collateral.

(d) Borrower will use commercially reasonable efforts to prosecute diligently any patent application that is part of the Patents, any trademark application that is part of the Trademarks, and any copyright registration that is part of the Copyrights, pending as of the date hereof or thereafter until the Obligations are Satisfied in Full. Borrower will file and prosecute applications or registrations on unpatented but patentable inventions, on trademarks and on copyrightable works, as recommended by reputable legal counsel. Borrower will preserve and maintain all rights in patent applications and patents that are part of the Patents, in trademark applications, trademarks, and trademark registrations that are part of the Trademarks, and in copyrightable works and copyright registrations that are part of the Copyrights. Any expenses incurred in connection with such registrations or applications shall be borne by Borrower.

(e) Except as could not reasonably be expected to have an Adverse Effect, Borrower shall not abandon any right to file a patent application or trademark application, or any pending patent application, trademark application, patent, trademark or copyright without the consent of the Secured Party.

(f) Borrower will at all times permit the Secured Party or its representatives to examine or inspect any Collateral, wherever located, and to examine, inspect and copy Borrower's books and records pertaining to the Collateral and its business and financial condition as more fully set forth in the Credit Agreement. Notwithstanding the foregoing, so long as no Default or Event of Default then exists (a) the Secured Party shall give the Borrower prior reasonable notice of any such examination or inspection, and (b) any such examination or inspection shall be during normal business hours.

(g) Borrower will keep accurate and complete records pertaining to the Collateral.

(h) Borrower will pay when due or reimburse the Secured Party on demand for all documented costs of collection of any of the Obligations and all other out-of-pocket expenses (including in each case reasonable attorneys' fees) incurred by the Secured Party in connection with the creation, perfection, satisfaction, protection, defense or enforcement of the Security Interest or the creation, continuance, protection, defense or enforcement of this Agreement or of the Obligations, including expenses incurred in any litigation or bankruptcy or insolvency proceedings.

(i) Borrower will execute, deliver or endorse any and all instruments, documents, assignments, security agreements and other agreements and writings which the Secured Party may at any time reasonably request in order to secure, protect, perfect or enforce the Security Interest and the Secured Party's rights under this Agreement.

(j) Except where the disclosure of any Trademark License would violate the terms thereof, Borrower has delivered true and complete copies of each Trademark License to the Secured Party, each of which is in full force and effect and Borrower is not, and to Borrower's knowledge, the other parties thereto are not, in default of any material provision thereunder. Borrower will not amend or otherwise modify any Trademark License in any way that materially and adversely affects the value of the Collateral or the Borrower's ability to repay the Loans, without the prior written consent of the Secured Party.

3. **Royalties.** Neither the Security Interest granted herein, nor the exercise by the Secured Party of any of its rights under this Agreement, shall (a) impose on the Secured Party any liability to Borrower for royalties or other similar charges, or (b) be limited geographically.

4. **Events of Default.** The occurrence of any Event of Default shall constitute an Event of Default hereunder.

5. **Remedies upon Event of Default; Power of Attorney.** At any time after the occurrence and during the continuance of an Event of Default, the Secured Party may exercise those remedies set forth in the Credit Agreement. All of the Secured Party's rights and remedies with respect to the Patents, Trademarks, Trademark Licenses and Copyrights, whether established hereby, by any other agreements or by law, shall be cumulative and may be exercised

singularly or concurrently. Upon the occurrence and during the continuance of an Event of Default, Borrower hereby irrevocably appoints the Secured Party as Borrower's attorney-in-fact, with full authority in the place and stead of Borrower and in the name of Borrower or otherwise to carry out the acts described below. Subject to the terms of the Credit Agreement, upon the occurrence and during the continuance of an Event of Default and the giving by the Secured Party of written notice to Borrower of the Secured Party's intention to enforce its rights and claims against Borrower, Borrower hereby authorizes the Secured Party to, in its sole discretion (i) endorse Borrower's name on all applications, documents, papers and instruments necessary or desirable for the Secured Party in the use of the Patents, Trademarks, Trademark Licenses (to the extent permitted by the terms thereof) and Copyrights, (ii) take any other actions with respect to the Patents, Trademarks, Trademark Licenses (to the extent permitted by the terms thereof) and Copyrights as the Secured Party deems is in its best interest, (iii) grant or issue any exclusive or nonexclusive license under the Patents, Trademarks or Copyrights to anyone on commercially reasonable terms, and (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Trademarks or Copyrights to anyone on commercially reasonable terms. The Secured Party shall take no action pursuant to clause (i), (ii), (iii) or (iv) of this Section 5 without taking like action with respect to the entire goodwill of Borrower's business and related assets connected with the use of, and symbolized by, such Patents, Trademarks or Copyrights. Borrower hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement shall have been terminated. Borrower acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Secured Party or any Bank under the Credit Agreement or any other Loan Document, but rather is intended to facilitate the exercise of such rights and remedies. The Secured Party shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks or Copyrights may be located or deemed located.

6. **Secured Party's Right to Sue.** From and after the occurrence of any Event of Default, the Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, Trademarks, Trademark Licenses and Copyrights, and, if the Secured Party shall commence any such suit, Borrower shall, at the request of the Secured Party, do any and all lawful acts and execute any and all proper documents required by the Secured Party in aid of such enforcement and Borrower shall indemnify and shall, upon demand, promptly reimburse the Secured Party for all documented costs and expenses incurred by the Secured Party in the exercise of its rights under this Section 6.

7. **Miscellaneous.** This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by the Secured Party. A waiver signed by the Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of the Secured Party's rights or remedies. All rights and remedies of the Secured Party shall be cumulative and may be exercised singularly or concurrently, at the Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other.

All notices to be given to Borrower shall be deemed sufficiently given if delivered or mailed by registered or certified mail, postage prepaid, to Borrower at its address set forth in the Credit Agreement or at the most recent address shown on the Secured Party's records. The Secured Party's duty of care with respect to Collateral in its possession (as imposed by law) shall be deemed fulfilled if the Secured Party exercises reasonable care in physically safekeeping such Collateral or, in the case of Collateral in the custody or possession of a bailee or other third person, exercises reasonable care in the selection of the bailee or other third person, and the Secured Party need not otherwise preserve, protect, insure or care for any Collateral. The Secured Party shall not be obligated to preserve any rights Borrower may have against prior parties, to realize on the Collateral at all or in any particular manner or order, or to apply any cash proceeds of Collateral in any particular order of application. This Agreement shall be binding upon and inure to the benefit of Borrower and the Secured Party and their respective representatives, successors and assigns and shall take effect when signed by Borrower and delivered to the Secured Party, and Borrower waives notice of the Secured Party's acceptance hereof. The Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of the Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement or other recording document signed by the Borrower shall have the same force and effect as the original for all purposes of a financing statement or other recording document. Borrower will execute, from time to time, and authorizes the Secured Party to execute from time to time as Borrower's attorney-in-fact, such financing statements, assignments, and other documents covering the Collateral, including Proceeds, as the Secured Party may reasonably request in order to create, evidence, perfect, maintain or continue its security interest in the Collateral (including additional Collateral acquired by Borrower after the date hereof), and Borrower will pay the cost of filing the same in all public offices in which the Secured Party may deem filing to be appropriate and will notify the Secured Party promptly upon acquiring any additional Collateral that may require an additional filing. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and either of the parties hereto may execute this Agreement by signing any such counterpart. Whenever possible, each provision of this Agreement and any other statement, instrument or transaction contemplated hereby or relating hereto shall be interpreted in such manner as to be effective and valid under such applicable law, but, if any provision of this Agreement or any other statement, instrument or transaction contemplated hereby or relating hereto shall be held to be prohibited or invalid under such applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement or any other statement, instrument or transaction contemplated hereby or relating hereto. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Obligations.

8. **Governing Law.** The parties to this Agreement have contracted for Minnesota law to govern this Agreement and it is controllingly agreed that this Agreement is made pursuant to and shall be construed and governed by the laws of the State of Minnesota without regard to the principles of conflicts of law.

9. **Consent to Jurisdiction.** BORROWER SUBMITS AND CONSENTS TO PERSONAL JURISDICTION OF THE COURTS OF THE STATE OF MINNESOTA

AND COURTS OF THE UNITED STATES OF AMERICA SITTING IN MINNESOTA FOR THE ENFORCEMENT OF THIS AGREEMENT AND WAIVES ANY AND ALL PERSONAL RIGHTS UNDER THE LAWS OF ANY STATE OR THE UNITED STATES OF AMERICA TO OBJECT TO JURISDICTION IN THE STATE OF MINNESOTA. AT THE ELECTION OF THE SECURED PARTY, LITIGATION MAY BE COMMENCED IN ANY STATE COURT OF GENERAL JURISDICTION FOR THE STATE OF MINNESOTA OR ANY UNITED STATES DISTRICT COURT LOCATED IN MINNESOTA. NOTHING CONTAINED HEREIN SHALL PREVENT THE SECURED PARTY FROM BRINGING ANY ACTION AGAINST BORROWER OR EXERCISING ANY RIGHTS AGAINST ANY SECURITY GIVEN TO THE SECURED PARTY, OR AGAINST BORROWER PERSONALLY, OR AGAINST ANY PROPERTY OF BORROWER, WITHIN ANY OTHER STATE. COMMENCEMENT OF ANY SUCH ACTION OR PROCEEDING IN ANY OTHER STATE SHALL NOT CONSTITUTE A WAIVER OF CONSENT TO JURISDICTION OR OF THE SUBMISSION MADE BY BORROWER TO PERSONAL JURISDICTION WITHIN THE STATE OF MINNESOTA.

10. Waiver. EACH PARTY WAIVES TRIAL BY JURY IN ANY JUDICIAL PROCEEDING TO WHICH IT IS INVOLVED DIRECTLY OR INDIRECTLY AND ANY MATTER IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR THE RELATIONSHIP ESTABLISHED HEREUNDER, AND WHETHER ARISING OR ASSERTED BEFORE OR AFTER THE DATE OF THIS AGREEMENT.
