(hereinafter referred to as the "Invention(s)")

and

*WHEREAS*

EMERGENT MUSIC LLC  
A Limited Liability Company of the State of Maine  
having as its principal office  
6 State Street, Suite 615  
Bangor, Maine 04401

(hereinafter referred to as the "Assignee"), is desirous of documenting *nunc pro tunc* that it has acquired the entire right, title, and interest in and to said Invention(s), and in and to any Letters Patent that may be granted therefor;

*NOW, THEREFORE*, intending to be legally bound, Assignor does hereby acknowledge that on March 30, 2005, in consideration of One Dollar (\$1.00) and of other good and valuable considerations, receipt of which is hereby acknowledged by it, Assignor did sell, assign, and transfer to the Assignee and Assignee's legal representatives its entire 100% right, title and interest together with all rights of priority, in said Invention(s), as described and/or claimed in said application for United States patent and any and all

applications for Letters Patent, in any country or jurisdiction, based in whole or in part thereon, including subsequent regular applications under 35 U.S.C. Section 111(a), divisions, continuations and continuations-in-part thereof as well as all foreign counterparts, including regional and international applications, and all applications containing disclosure in common therewith, together with all Letters Patent in any country or jurisdiction arising from any of the aforesaid applications, as well as any and all reissues and reexaminations thereof, the same to be held and enjoyed by Assignee, its successors and assigns, to the full ends of the terms of all said Letters Patent therefor which may be granted.

Assignor hereby authorizes and requests the Patent Office officials in the United States and all foreign countries or jurisdictions to issue any and all of said Letters Patent, when granted, to Assignee, as the Assignee of its entire right, title and interest in and to the same, for the sole use and behoof of Assignee, its successors and assigns. Assignor hereby authorizes the Assignee to make application for and to receive Letters Patent for said Invention(s) in any countries or jurisdictions in its own name.

Further, Assignor hereby agrees to communicate to Assignee, or its representatives, any facts known to its officers or employees respecting said invention, and to use its best efforts to have its officers and employees to testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, reissue and related United States and foreign applications and declarations relating thereto, execute all necessary claims of priority and assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths, and generally to do everything possible to aid Assignee, its successors and assigns, to obtain and enforce protection for said invention in the United States and in any and all foreign countries or jurisdictions. The rights and property herein conveyed by Assignor are free and clear of any encumbrances.

Assignor hereby authorizes Gerry J. Elman, Registration No. 24,404 of the firm Elman Technology Law, P.C. to correct errors in this Assignment document and to insert any further identification or information necessary or desirable to make this Assignment recordable in the United States Patent and Trademark Office, or elsewhere.

If any provision of this document should be found invalid or unenforceable under relevant law, such provision shall be deemed excluded and redacted herefrom, and the validity and enforceability of the remaining provisions shall not be affected thereby.
