UTILITY APPLICATION
Attorney Docket No.: 43311-1P1U1

ASSIGNMENT

I, MELISSA C. WALKER, of 1637 Strecker Ridge Court, Wildwood, MO 63011, have invented a method entitled, SYSTEM AND METHOD FOR REGULATORY INTELLIGENCE, hereinafter called the "invention."

Preferred embodiments of said invention are disclosed in a United States utility application executed concurrently herewith by me and now identified as File No. 43311.1U1P1 of the law firm of Lewis and Roca LLP, Suite 1900, 40 North Central Avenue, Phoenix, AZ 85004, and filed in the United States Patent and Trademark Office as Serial No. _____ on _____. (I hereby authorize the attorneys of Lewis and Roca LLP to insert said serial number and filing date when known.)

The Assignee, Graematter, Inc., a corporation of Nevada, with the principal place of business at 1930 Village Center Circle #3-183, Las Vegas, NV 89134, desires to secure the entire right, title and interest in said invention.

For good and valuable consideration paid to me the Assignee, the receipt and sufficiency of which I hereby acknowledge, I HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title and interest in said invention in the above-identified United States non-provisional utility application, and in all non-provisional utility applications claiming priority thereto, as well as the entire right, title and interest in said invention in divisions, continuations and continuations-in-part of all of the non-provisional utility applications claiming priority to the provisional application, or reissues or extensions of Letters Patent or Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

I hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behalf of the said Assignee, its successors, assigns and legal representatives.

I hereby agree, without further consideration and without expense to me, to sign all lawful papers and to perform all other lawful acts which the Assignee may request that I make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon my heirs and legal representatives.

Dated this 9th day of September, 2005

MELISSA C. WALKER
