## ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I/we the undersigned,

**Jan Wissmuller**, a United States citizen, residing at 3349 Hadfield Greene, Sarasota, FL 34235,

(hereinafter, "Assignors"), who, having created a certain invention for which an application for United States Letters Patent entitled:

### ELECTRONIC HI-HAT CYMBAL CONTROLLER

for which the application for U.S. Letters Patent has been filed on August 31, 2011, as Application Serial No. 61/529.284,

do hereby sell, assign and transfer to:

**ALESIS, L.P.**, a Limited Partnership of the State of Delaware, having its principal place of business at 200 Scenic View Drive, Suite 201, Cumberland, RI 02864,

(hereinafter, "Assignees"), their successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possessions and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, acts, and treaties, including all future conventions, unions, agreements, acts, and treaties;

We authorize Assignees to apply for and receive Letters Patent for such protection in their own names, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignees, but without charge to Assignees, their successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, and extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignees, their successors, assigns, and legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignees, their successors, assigns or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all applications for patents on said invention in said Assignees, their successors, assigns and legal representatives; and
