ASSIGNMENT

WHEREAS, WE, Leroy G. KRUPKE and Mark Raymond WILZBACH, citizens of the United States, and residing at the addresses as stated below, respectively, have each and/or jointly made, and/or contributed to making one or more inventions described in non-provisional application for United States Letters Patent, entitled WALL CONSOLE DIVERSE COMMANDS TO BARRIER OPERATORS, Serial No. 13/477,589, filed May 22, 2012 ("Non-Provisional Application"), United States provisional patent application, Serial No. 61/519,579, filed May 24, 2011 ("Provisional Application"), and PCT application, Serial No. PCT/US12/38995, filed May 22, 2012 ("PCT Application").

WHEREAS, WE have previously agreed to assign all of our rights to the said inventions, and to the patent rights pertaining thereto, to Overhead Door Corporation (hereinafter referred to as ASSIGNEE), a corporation organized under the laws of the State of Indiana, U.S.A. having a place of business at 2501 South State Hwy 121, Suite 200, Lewisville, TX 75067, and Assignee is desirous of formalizing the assignment of such rights, of the aforementioned applications, and of the priority rights, to ASSIGNEE..

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00), and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by us, each of us confirms our prior agreement to assign, and/or by these presents do hereby assign, sell, transfer and set over, unto said ASSIGNEE, all of our respective right, title and interest that each of us may have, in and to (a) the Provisional Application, the Non-Provisional Application, and the PCT Application, including all divisions, continuations and substitutions thereof; (b) any and all of our inventions described in any of the aforementioned applications, and worldwide rights thereto and therein; and (c) all United States and foreign patents which issue on said inventions, including all reissues, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries, including the right to file corresponding applications for Letters Patent on said inventions in any and all foreign countries; the same to be held and enjoyed by said ASSIGNEE, its assigns and successors, as fully and entirely as the same has been held, and would have been held and enjoyed by us had this assignment not been made;

We, each of us, further hereby assign to ASSIGNEE all priority rights, and the right to claim priority, under any and all treaties and conventions to which the United States of America is signatory including the Paris Convention for the Protection of Industrial Property for, and associated with, the Provisional Application, Non-Provisional Application, and the PCT Application, and all such corresponding applications, or any division, continuation or substitution thereof, the same to be held and enjoyed by said ASSIGNEE, its assigns and successors, as fully and entirely as the same has been held, and would have been held and enjoyed by each of us had this assignment not been made.

We jointly and severally covenant and agree that we will, at any time upon the request, and at the expense, of said ASSIGNEE, execute and deliver any and all papers and do all lawful acts that may be necessary or desirable, in the opinion of said ASSIGNEE, to enable and assist said ASSIGNEE to (a) obtain Letters Patent, both domestic and foreign, on

said invention; (b) establish, maintain and secure title and priority rights in said ASSIGNEE, its successors and assigns, to said inventions, and to all applications and Letters Patent therefor, including making such title and priority rights in ASSIGNEE of lawful public record; and (c) defend, establish or otherwise preserve the validity of said Letters Patent, including against any and all infringers, and perform such other acts as are necessary to give full force and effect to this assignment.

We jointly and severally represent and covenant that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of said invention or patent application has been or will be made or entered into which would conflict with this assignment and sale.

We hereby authorize and request the Commissioner for Patents of the United States to issue all Letters Patent based on said Non-Provisional Application, and each division, continuation, substitution, reissue, renewal and extension thereof to said ASSIGNEE, its successors and assigns.

IN TESTIMONY WHEREOF, we have duly executed this assignment on the date as indicated next to our names, respectively.
