OP \$40.00 13464062

ASSIGNMENT

WHEREAS we, Guoqiang Li, and Jones Nji, the below-named inventors whose addresses and citizenships are as stated below next to our names, have made an invention in "Thermosetting Shape Memory Polymers with Ability to Perform Repeated Molecular Scale Healing," which invention is the subject of Serial No. 13/464,062, filed May 4, 2012, which claims the benefit of the priority of Provisional Patent Application serial number 61/483,196, filed May 6, 2011 (File No. Li 1125.1).

Now, therefore, for good and valuable consideration, receipt of which is acknowledged, each of us has agreed to assign and transfer and does hereby assign and transfer unto the Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors and assigns, his or her entire right, title, and interest in and to the said invention and the provisional application, and in and to any nonprovisional application claiming priority from said provisional application, or any division, continuation, or continuation-in-part of said nonprovisional application, and in and to any and all Letters Patent and reissues and extensions thereof, of the United States of America and countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made.

We do further agree for ourselves and for our heirs, executors, and administrators, to execute and deliver without further consideration any further applications, assignments, and documents, and to perform such acts as we lawfully may, that may be deemed necessary by the said Board of Supervisors of Louisiana State University and Agricultural and Mechanical College, its successors, assigns, and nominees, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries;

And we do hereby authorize the Director of the United States Patent and Trademark Office, and any foreign counterpart to the Director, to issue any and all Letters Patent which may be granted upon any of the said applications, to the said Board of Supervisors

of Louisiana State University and Agricultural and Mechanical College, as the assignee of the entire interest therein.

In witness whereof, we have hereunto signed our names on the respective dates set forth below.
