Assignment of Patents

For valuable consideration, the receipt and sufficiency of which is hereby acknowledged, **Jennifer A. Groover**, an individual ("Assignor"), hereby sells, assigns, transfers, and conveys to **Amethyst IP, LLC**, a New York limited liability company having its corporate office at 1225 Franklin Avenue, Suite 325, Garden City, New York 11530 ("Assignee"), all of Assignor's right, title, and interest in and to the patents that are set forth in **Schedule 1** hereto, including any and all continuations, divisions, continuations-in-part, reissues, re-examinations thereof along with all rights associated therewith and all drawings, designs, models and other documents evidencing or embodying the inventions which are the subject of such patents.

The rights granted herein shall include the right to file, prosecute and enforce any foreign corresponding patents application in any jurisdiction throughout the world. In addition, Assignee is hereby assigned the full right, title and interest to enforce the rights granted hereunder against any past, present and future infringer of any of the rights transferred hereunder and to collect all recovery from such enforcement. Assignor shall further provide such other assistance as may be reasonably requested by Assignee for the purpose of enforcing, recording, prosecuting or otherwise effectuating the rights granted hereunder.

Assignor represents and warrants to Assignee that Assignor is the owner of the Patents and rights described above; that Assignor has the unrestricted right to make this assignment; that Assignor has not previously assigned or licensed any of the foregoing Patents or rights; and that to the best of its knowledge, the Patents and rights described above are free of any liens, encumbrances, security interests, or adverse claims of any nature whatsoever.

IN TESTIMONY WHEREOF, the Assignor has caused this Assignment of Patents to be executed by its authorized representative.

Jennifer A. Groover
