PATENT ASSIGNMENT NUNC PRO TUNC

WHEREAS, Excel Technologies International Corporation, a Delaware Corporation, with a place of business at 1110 Industrial Blvd, Sugar Land, Texas 77478 ("Assignor"), holds title to the following patent (the "Patent"):

U.S. Patent No.: 5,753,098

Issue Date: May 19, 1998

Title: Cylindrical Electrolyzer Assembly & Method

WHEREAS, Severn Trent De Nora, LLC., a Delaware Corporation with a place of business at 1110 Industrial Blvd, Sugar Land, Texas 77478, ("Assignee"), is desirous of acquiring the Patents;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, effective March 31, 2002, the entire right, title, and interest in, to and under each of the Patents listed above, and the right to sue for past, present and future infringement thereof.

Assignor further sells, assigns, and transfers to Assignee and to the Assignee's successors, heirs, nominees, and assigns a 100% undivided interest, right, and title to the divisional, continuing, substitute, renewal, reissue, and other patent applications, both foreign and domestic, which have been or shall be filed for any improvements made by Assignor to the IP Assets described above.

This assignment is effective in the United States and any and all foreign countries and their territorial possessions.

This assignment of rights includes the right to claim priority in the date of the invention for the IP Assets listed herein.

Assignor authorizes and requests that the United States Patent and Trademark Office issue any and all patents or other protections on the inventions and improvements to those inventions described herein to the Assignee.

Assignor affirmatively warrants:

- i. That Assignor has proper, full, and unencumbered title to invention and has the full right and authority to convey such title to the Assignee.
- ii. That Assignor has made no prior or contemporaneous assignments, grants, mortgages, licenses, or other agreements to any other party or parties that would encumber or interfere with the full rights and title to the property herein conveyed to Assignee.

When requested by Assignee, Assignor agrees to provide the following information and assistance:

- i. Assignor agrees to turn over all documents and knowledge relating to the IP Assets that are known by the Assignor.
- ii. Assignor agrees to testify as necessary, in the event of an interference, litigation, or other proceeding relating to the IP Assets, to the authenticity and authority of any and all documents delivered to the Assignee as required above.
- iii. Assignor agrees to execute and promptly deliver to Assignee or their legal representative any and all documents which may be required to apply for, obtain, maintain, issue, and enforce the IP Assets.

When requested by Assignee, and at Assignee's expense, Assignor agrees to provide the following information and assistance:

- i. Assignor agrees to turn over all documents relating to any improvements made to the IP Assets, including but not limited to: divisional, continuing, substitute, renewal, reissue, and all other patent applications.
- ii. Assignor agrees to execute and perform any oaths or declarations required to effect the transfer of the improvements made to the IP Assets to Assignee, including, but not limited to: oaths, declarations, assignments, powers of attorney, or other documents.
- iii. Assignor agrees to use good faith efforts to assist Assignee with the securing, maintaining, and enforcement of the patents related to any improvements made to the IP Assets.
- iv. Assignor agrees to communicate all known facts and history relating to any improvements made to the inventions, patents, and IP Assets to Assignee.

Assignor agrees that this agreement will be binding upon the heirs, assigns, representatives, and successors of the Assignor. Assignor further agrees to extend the provisions of this agreement to the successors, assigns, and nominees of the Assignee.

SAID ASSIGNMENT TO BE BINDING on the heirs, assigns, representatives and successors of the ASSIGNOR and extend to the successors, assigns and nominees of the ASSIGNEE.
