Annex 1: Assignment

WHEREAS, GERRASPINE AG (hereinafter "Assignor"), a corporation of Switzerland, having a place of business at Rorschacherstr. 294, 9016 St. Gallen, Switzerland, has adopted and is the owner of the patents listed on the attached Exhibit A ("the Patents"); and

WHEREAS, RECH AG (hereinafter "Assignee"), a corporation of Switzerland, according to the law of Switzerland, having a place of business at Im Halbiacker 9, 8352 Elsau, Switzerland, is desirous of acquiring said patents, said registrations and the goodwill associated with said patents;

NOW, THEREFORE, for good and valuable consideration, the sufficiency and receipt of which are hereby acknowledged, Assignor does hereby assign unto Assignee all right, title and interest in and to the Patents and all patents and patent applications in the United States or countries foreign to the United States claiming priority from any of the Patents; said registrations, together with all causes of actions, claims and demands or other rights for or arising from any infringement, including the right to the right to recover damages for past infringement; and the goodwill associated with the Patents.

Assignor authorizes the Commissioner of Patents of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration set forth on Exhibit A to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Patents.

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.
