ASSIGNMENT

WHEREAS, I, **David M. Walba** of 5453 Mesa Top Ct., Boulder, Colorado 80309, a citizen of the United States of America, have invented new and useful Flow Cytometer Systems And Associated Methods, for which I am about to make or have made application(s) for Letters Patent of the United States;

WHEREAS, **The Regents Of The University Of Colorado, a body corporate**, having its principal place of business at 1800 Grant Street, 8th Floor, Denver, Colorado, 80203, is desirous of acquiring an interest in, to and under said invention, said application(s), and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, I, David M. Walba, have sold, assigned and transferred, and by these presents do sell, assign and transfer, unto said The Regents Of The University Of Colorado, a body corporate, the full and exclusive right, title and interest, throughout the world, in, to and under the following:

- (a) said invention as fully set forth and described in the specification prepared, and executed by us preparatory to obtaining Letters Patent of the United States therefor;
- (b) said application(s);
- (c) any and all refilings, divisions, continuations and continuations-in-part of said application(s);
- (d) any and all Letters Patent of the United States of America which may issue from said application(s), refilings, divisions, continuations and continuations-in-part;
- (e) any and all reissues and reexaminations of said Letters Patent of the United States of America;
- (f) any and all application(s) for Letters Patent upon said invention which may hereafter be filed in any and all countries foreign to the United States of America;
- (g) any and all refilings, divisions and continuations of said foreign-filed application(s);
- (h) all claims, causes of action and damages for past, present and future infringement or other unauthorized use, if any, of said application(s), said Letters Patent and said invention, with the right to sue for, and to collect damages and other relief for same;
- (i) any and all Letters Patent of countries foreign to the United States of America which may issue from the said foreign-filed application(s), refilings, divisions and continuations; and
