## ASSIGNMENT

This Assignment made by MICHAEL DEKHTYAR, an individual, of West Hollywood, California, "Assignor," to AMERICAN BRANDS ENTERPRISES, INC., a Delaware corporation, having an address at 8033 W. Sunset Blvd., Suite 940, Los Angeles, California 90046, "Assignee."

WHEREAS, Assignor is the owner of all right, title, and interest in and to an invention known as the "Food Oven" (the "invention") and of all right, title, and interest in and to U.S. Patent No. 7,196,291 entitled "Food Oven" issued on March 27, 2007 (the "patent") that is directed to the invention; and

WHEREAS, Assignee desires to acquire by formal recordable assignment the entire right, title, and interest in and to the invention and the patent, and to any other applications and Letters Patent that may be filed or granted for said invention in the United States and throughout the world.

NOW, THEREFORE, for the sum of ten dollars (\$10) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee, the entire right, title, and interest in and to said invention, said patent, and any other Letters Patent that may be granted for said invention in the United States and throughout the world, including the right to file foreign applications directly in the name of Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties or otherwise, together with all income, royalties, damages, or payments due or payable as of the effective date of this agreement or thereafter, including, without limitation, all claims for damages by reason of past, present, or future infringement or other unauthorized use of the patent, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

Further, Assignor agrees that, upon request and without further compensation, but at no expense to Assignor, he and his legal representatives and assigns will do all lawful acts,

*ASSIGNMENT  
U.S. Patent No. 7,196,291*

including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, maintaining, reissuing, reexamining, or enforcing the patent in the United States and any other Letters Patent in the U.S. and throughout the world for the invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to the invention, said patent, and any other Letters Patent granted for said invention in the United States and throughout the world.

Assignor represents and warrants that he has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Letters Patent granted for said invention, whether on the application from which the patent was derived, or on any subsequently filed division, continuation, continuation-in-part, or reissue application, to Assignee, its successors and assigns, as the assignee of the entire interest in said invention.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment on the dates written herein below.
