Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party to be bound thereby. Assignor does hereby appoint Assignee as Assignor's attorney-in-fact, with full power to act for and in the place of Assignor in such actions or proceedings or in any other matters, including the right to verify, on behalf of Assignor, and with respect to all documents of any nature whatsoever, including all pleadings which are part of any legal

(the "Bankruptcy Code"), including the right to defend any petitions or actions filed against Assignor under the Bankruptcy Code.

- A. First, to deduct all sums which Assignee may at its option pay for the discharge of any lien on any of said property and any indebtedness which under law is entitled to priority of payment and to reimburse Assignee as to all costs advanced by the Assignee or any third party for the preservation of the Assignment Estate's assets, including the maintenance and insurance of said assets and, the expenses of any operation.

The Assignee may, but is not required to, make interim distributions whenever the Assignee has accumulated sufficient funds to enable it to make a reasonable distribution.
- G. Seventh, any monies unclaimed by creditors 90 days after the final distribution to unsecured creditors, if any, or the termination of the administration of the Assignment Estate by the Assignee, shall be re-distributed, pro rata, to all known unsecured creditors, being those creditors who cashed their respective dividend checks from the Assignment Estate, provided any such distribution exceeds One Thousand Dollars (\$1,000.00).

11. Right To Withhold Payment Of Contested Claims. In the event that the Assignee contests the validity of a Claim,¹ falling within any of the classifications set forth in paragraph 10 above, the Assignee may withhold the pro rata distribution (whether interim or final) to which the holder of such contested Claim would otherwise be entitled to receive until the allowance of the contested claim is determined by a Court of competent jurisdiction or by agreement with the Assignee.

¹ The term "Claim" for the purposes of this agreement shall mean a right to payment as defined in Section 101(5) of Title 11 of the United States Code and the federal case law construing that statute.

14. Headings. The headings used in this Assignment have been inserted for convenience of reference only and do not define or limit the provisions hereof.

15. Invalid Provisions. If any provision of this Assignment is held to be illegal, invalid or unenforceable under any present or future law, and if the rights or obligations of any party hereto under this Assignment will not be materially and adversely affected thereby, (a) such provision will be fully severable, (b) this Assignment will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof and (c) the remaining provisions of this Assignment will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance here from.

16. Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of the State of California applicable to a contract executed and performed in such State, without giving effect to the conflicts of laws principles thereof.

17. Counterparts. This Assignment may be executed in any number of counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.
