and

**Whereas** Assignee desires confirmation of the assignments made by said *Assignment of Patents and Patent Applications*;

**NOW Therefore**, in consideration of the payment by ASSIGNEE to ASSIGNOR of one pound (£1.00), the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR confirms that ASSIGNOR has sold, assigned, granted, conveyed, and transferred, and by these presents does hereby grant, assign, sell, transfer, convey and quitclaim unto ASSIGNEE, and its successors, assigns and legal representatives, (a) the above-identified inventions and all improvements and modifications thereof, (b) the above-identified patent applications and all other applications for Letters Patent of the United States and countries foreign thereto for the above-identified invention or inventions and all improvements and modifications thereof (including divisional applications, continuation applications, continued prosecution applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexamination applications, extensions, and all other patent applications that have been or shall be filed on the inventions), (c) all Letters Patent which may issue from said applications in the United States and countries foreign thereto (including original patents, reissued patents, reexamination certificates, and extensions), (d) all divisions, continuations, reissues, and extensions of said applications and Letters Patent, and (e) all rights of priority resulting from the filing of any such applications, including the right to claim for any of said applications the full benefits and priority rights under the International Convention and any other international agreement to which the United States adheres; such right, title, and interest to be held and enjoyed by ASSIGNEE, its successors and assigns, to the full end of the term or terms for which any and all such Letters Patent may be granted as fully and entirely as would have been held and enjoyed by ASSIGNOR had this Assignment not been made.

ASSIGNOR HEREBY AUTHORIZES and requests the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said applications or any division or divisions or continuing applications thereof to ASSIGNEE, as assignee of the entire interest, and hereby covenants that he has full and unencumbered right to convey the entire interest herein assigned, and that he has not executed and will not execute, any document or instrument in conflict herewith.

ASSIGNOR agrees to perform all affirmative acts which may be necessary to obtain a grant of valid United States and corresponding foreign patents to ASSIGNEE.

ASSIGNOR furthermore agrees to execute any and all papers requested by ASSIGNEE, its successors, assigns and legal representatives, for the filing and granting of foreign applications and the perfecting of title thereto in ASSIGNEE.

ASSIGNOR hereby agrees to execute upon request of ASSIGNEE such additional documents as are reasonably necessary to register and otherwise give full effect to and to perfect the rights of ASSIGNEE under the Patent Assignment Agreement in and to the patent rights worldwide, including all documents necessary to register in the name of ASSIGNEE the assignment of the patent rights with the appropriate foreign or international office or registrar.
