ASSIGNMENT

WHEREAS, I, Mark Ayers, a citizen of the United States whose post office address is 3151 Airway Avenue B3, Costa Mesa, CA 92626, USA, have made an invention for which Letters Patent of the United States is sought, entitled Non-Volatile Memory Module, Application No. 12/655,494, filing date 12/30/2009; and

WHEREAS, Soligen Corporation, a corporation organized and existing under the laws of the state of California, and having an office for the transaction of business at 3151 Airway Avenue B3, Costa Mesa, CA 92626, USA is desirous of acquiring the entire right, title and interest in and to said invention and any improvements thereon, and in and to the said application for Letters Patent thereof, and any Letters Patent which may be obtained therefrom;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that I, the said, Mark Ayers, for and in consideration of the sum of One Dollar (\$1.00), lawful money of the United States, was paid by said Soligen Corporation, and other good and valuable considerations unto us moving from said Soligen Corporation, at and before the ensealing and delivery of these presents, the receipt of which is hereby acknowledged, have sold, assigned, transferred and conveyed and by these presents, do sell, assign, transfer and convey, unto said Soligen Corporation, its successors, assigns and heirs the entire right, title and interest in and to the said invention for which I have made application of Letters Patent of the United States as identified above and any and all improvements thereon, and in and to said application for any divisional, continuation or continuation-in-part applications thereof, and in and to any Letters Patent of the United States which may be issued on any of said applications, and any reissues thereof and in and to any and applications for Letters Patent filed in foreign countries for said invention or improvements including all priority rights, and any and all Letters Patent which may be granted in foreign countries there from, to have and to hold the same to the full end of the term or terms for which any and all said Letters Patent may be granted and any reissues thereof;

AND I, the said Mark Ayers, do hereby authorize and request the Commissioner of Patents and Trademarks to issue the said Letters Patent of the United States to said Soligen Corporation, as the assignor of the entire right, title and interest in and to the same, for the sole use and benefit of said Soligen Corporation, its successors and assigns;

AND I, the said Mark Ayers, for the considerations aforesaid, do hereby covenant and agree to and with said Soligen Corporation, its successors and assigns, that I have the full power to make this assignment, and that the rights assigned are not encumbered by any grant, license or right heretofore given, and that I, our executors or administrators, shall and will do all lawful acts and things and make, execute and deliver without further compensation, any and all other instruments in writing, further applications, papers, affidavits, powers of attorney,

assignments, and other documents which, in the opinion of counsel for said Soligen Corporation, its successors and assigns, may be required or necessary more effectively to secure to and vest in said Soligen Corporation, its successors and assigns, the entire right, title and interest in and to said invention and improvements, applications, Letters Patent, rights, titles, benefits, privileges, and advantages hereby sold, assigned, transferred and conveyed, and that I will sign any applications for reissue which may be desired by the owner of the patent or patents which may be issued for the said invention or improvements.

This assignment shall be effective as of December 30, 2009.

AND I, the said Mark Ayers, further confer the right to the said Soligen Corporation to sue for and recover damages for past infringement or other legal actions transpiring before the execution date of this assignment for which I had the right to sue or recover in connection with the above assigned patent rights, patents or patent applications, retroactive to the filing date of an application.
