Attorney Docket No.: ASI US-1

ASSIGNMENT OF PATENT APPLICATION

As sole named inventor of the United States application for Letters Patent below, I acknowledge my agreement to sell, assign and transfer to Assignee (hereinafter referred to as "Assignee"):

Assignee: AUTONOMOUS SOLUTIONS, INC.

Address: 990 North 8000 West
Petersboro, UT 84325

any and all interest that I have in the United States application for Letters Patent:

Title: VEHICLE DISPATCHING METHOD AND SYSTEM

Application Serial No.: 12/164,740 Filed: June 30, 2008

I also acknowledge that I have received good and valuable consideration from Assignee in return for my assignment of rights. I also acknowledge that my assignment to Assignee may be transferred to any successors or assignees of Assignee, without my further consent. I further acknowledge that my assignment includes my entire right, title and interest in my Letters Patent, including the right of priority in, to, and under my application for letters Patent, the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (CIPs), divisionals, and renewals of and substitutes for my application for Letters Patent; any and all foreign or international patent applications based thereon; any and all Letters Patent issued by the United States, foreign countries, or international or foreign entities; and any reissues, re-examinations, or extensions of any such Letters Patent.

I additionally authorize Assignee to file applications in my name for Letters Patent in any country, to be held and enjoyed by Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by myself had this sale, assignment, and transfer not been made.

I also covenant that I have full right to convey the entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith. I further covenant and agree that I will, each time a request is made, and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said invention(s), improvement(s), application(s) and Letters Patent, to Assignee, its successors, assigns, nominees, or legal representatives. I further agree to communicate to Assignee, or to its nominee, all known facts respecting said invention(s), improvement(s), application(s) and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisionals, continuations, CIPs, reissue and foreign applications, to make all rightful oaths and declarations, and generally to do everything possible to aid Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection

Attorney Docket No.: ASI US-1

for said invention(s) or improvement(s) in any and all countries, provided the expenses which may be incurred by me in lending such cooperation and assistance are paid by Assignee.

I further authorize and request the Commissioner of Patents and Trademarks of the United States, and any international or foreign official whose duty is to issue patents on applications as aforesaid, to issue to Assignee, as assignee of the entire right, title, and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of my application for Letters Patent, in accordance with the terms of this assignment.

IN WITNESS of the above representations, I execute this agreement below.
