atmosphere control international limited the new name for wellman defence limited

08 May 2012

Atmosphere Control International

a corac group plc company

Atmosphere Control International Limited is the new name for Wellman Defence Limited following the acquisition of the company by Corac.

The new name reflects the fact that Atmosphere Control International Limited is no longer part of the Wellman Group and better fits the company's business.

Atmosphere Control International Limited remains a world leader in the design and supply of atmosphere control systems for submarines and other environments.

The address and telephone numbers remaining the same.
