## INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT

This Intellectual Property Assignment Agreement (the "Assignment") is made as of March 30, 2012 by and between Swift Development Renewable Fuels, LLC, an Indiana limited liability company ("Seller") and Swift Fuels, LLC, a South Dakota limited liability company (the "Purchaser").

### Recitals

A. Purchaser and Seller have entered into that certain Intellectual Property Purchase Agreement, dated March 30, 2012 (the "Purchase Agreement"), wherein Purchaser acquired certain assets of Seller, including the Scheduled Intellectual Property and the Purchased Intellectual Property.

B. In connection with the Purchase Agreement and Purchaser's acquisition of the Scheduled Intellectual Property and the Purchased Intellectual Property, the parties are entering into this Assignment.

### Agreement

NOW, THEREFORE, intending to be legally bound and in consideration of the mutual provisions set forth in this Assignment and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Defined Terms. All capitalized terms used in this Assignment have the meanings given to those terms in the Agreement, unless otherwise expressly stated or defined herein.
2. Assignment. Seller hereby irrevocably sells, conveys, assigns, transfers and delivers to Purchaser, and Purchaser hereby accepts, all of Seller's right, title and interest in and to the Scheduled Intellectual Property and the Purchased Intellectual Property, including those items set forth on Schedule A attached hereto, together with all extensions, continuations, divisionals, continuations-in-part, reissues and reexaminations stemming from such items and all claims for damages by reason of past, present, or future infringement or misappropriation of the foregoing, with the right to sue for and collect the same.
3. Purchase Agreement. This Assignment is executed and delivered pursuant to the Purchase Agreement, and is subject to every term, condition, representation, warranty, covenant, agreement, indemnification and provision set forth in the Purchase Agreement.
4. Counterparts. This Assignment may be executed in counterparts, which together will constitute one and the same agreement.

[Signature page follows.]

The parties have executed and delivered this Assignment as of the date indicated in the first sentence of this Assignment.
