PATENT ASSIGNMENT

For one dollar and other good and valuable consideration, the receipt, sufficiency, and adequacy of which is hereby acknowledged, the undersigned inventor or inventors (hereinafter called "ASSIGNOR") hereby assigns, transfers, and sets over to:

Name: Global Perpetual Energy, Inc.

Incorporated in the state of: Texas

Address: 4894 I-30 West, Caddo Mills TX 75135 USA

(hereinafter called "ASSIGNEE") and its successors and assigns, the entire worldwide right, title, and interest in and to the application (and related Patent Cooperation Treaty application and provisional application referenced herein)

entitled: "SYSTEM FOR CONVERSION OF WAVE ENERGY INTO ELECTRICAL ENERGY"

for which a United States Patent Application having Attorney Docket No. 1070.0001 was assigned Application Serial No. 13/487,114, which is a national stage entry of PCT/US2010/058995, which was filed on December 3, 2010, which claims the benefit of U.S. Provisional Application No. 61/266,961, filed December 4, 2009,

and in and to all inventions disclosed therein, any improvements thereon, and all rights and privileges under any Letters Patent which may be issued or reissued thereon or upon any additional, continuing, or divisional applications thereof in the United States or any other national jurisdiction, regional jurisdiction, and/or international patent issuing authority/organization, including all rights, if any, to sue for past infringement.

(1) ASSIGNOR agrees, without charge to said ASSIGNEE, but at ASSIGNEE's expense (a) to execute (i) all necessary papers (such as, but not limited to, declarations and disclaimers) to be used in connection with this application and any continuing and divisional applications, and any reexamination and reissue proceedings, as the ASSIGNEE or its successors and assigns may deem necessary or expedient, (ii) all papers in connection with any interference or other legal or quasi-legal proceedings relating to this application or any additional, continuing, or divisional application thereof as well as any corresponding application in a non-US national jurisdiction, regional jurisdiction, and/or international patent issuing authority/organization; (b) to cooperate with ASSIGNEE and its successors and assigns in every way possible in obtaining evidence (such as, but not limited to, performing experiments and providing facts and documents) and going forward in any such proceedings (at no expense to ASSIGNOR); and (c) to perform all other affirmative acts which may be necessary or desirable to obtain a grant of a patent for said invention.

(2) ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States to issue any and all Letters Patent that may be granted upon the above-identified patent application or any additional, continuing or divisional applications thereof to the ASSIGNEE or its successors and assigns.

(3) ASSIGNOR hereby authorizes the ASSIGNEE, its successors and assigns, to file in its own name, applications for patents under the patent laws of any country of the world in connection with the inventions hereby transferred, under the International Convention claiming the priority of the U.S. application or otherwise, and to secure in its own name the patent or patents issued thereon.

(4) ASSIGNOR covenants and warrants that he/she has full right to convey the entire right, title and interest by this instrument, free of any encumbrances and that no other agreement has been or will be executed in conflict herewith.

(5) ASSIGNOR hereby grants to the law firm of STIPKALA LLC of North Charleston, SC (with offices in Minnesota, Ohio, and Texas), authority and power to insert on this instrument any further identification which may be necessary or desirable for purposes of recordation in the United States Patent and Trademark Office or a Patent Office of any non-US national jurisdiction, regional jurisdiction, and/or international patent issuing authority/organization.

(6) ASSIGNOR and ASSIGNEE agree that this assignment shall fulfill the purposes of a Deed of Assignment in jurisdictions requiring same.

ASSIGNOR evidences agreement to the foregoing by execution as follows:
