PATENT ASSIGNMENT AGREEMENT

THIS PATENT ASSIGNMENT AGREEMENT (the "Agreement") is entered into effective as of the 23rd day of May, 2012 (the "Effective Date") by and between Jonathan D. Robbins, an individual ("Assignor"), and Fit Four, LLC, a Utah limited liability company ("Assignee").

RECITALS

A. Assignor owns and possesses the right to transfer the patent and related patent rights described on Exhibit A attached hereto and incorporated herein by this reference (collectively, the "Patent Rights").

B. Assignee desires to acquire from Assignor, and Assignor is willing to sell and transfer to Assignee, the Patent Rights on the terms and subject to the conditions set forth in this Agreement.

AGREEMENT

Now, therefore, in consideration of the foregoing premises and the representations, warranties, covenants and promises herein made, the receipt, adequacy and legal sufficiency of which Assignor and Assignee hereby acknowledge, Assignor and Assignee hereby agree as follows:

1. Assignment of Patent Rights. On the terms and subject to the conditions set forth in this Agreement, Assignor hereby sells, assigns and transfers to Assignee its entire right, title and interest, including the right to sue for past infringement and to collect for all past, present and future damages, in the United States of America (as defined in 35 U.S.C. § 100) and throughout the world, the Patent Rights, as described on Exhibit A attached hereto and incorporated herein by this reference.

2. Covenants of Assignor. Assignor hereby agrees to execute all papers necessary in connection with the patent contained within the Patent Rights and any non-provisional, continuing (continuation, divisional, or continuation-in-part), reissue, reexamination or corresponding application(s) thereof and also to execute separate assignments in connection with such patent and application(s) as Assignee may deem necessary or expedient. Assignor hereby grants Parr Brown Gee & Loveless, 185 South State Street, Suite 800, Salt Lake City, Utah 84111, power to insert in this Agreement any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office or any other patent office for recordation of this document.

3. Issuance of Shares. As full and complete consideration for Assignor's sale, transfer and assignment of the Patent Rights, Assignee shall grant to Assignor a 30% Membership Interest in the Company.

4. Representations and Warranties of Assignor. Assignor represents and warrants to Assignee that (a) Assignor has all requisite power and authority to execute this Agreement and consummate the transactions contemplated hereby, (b) Assignor owns the Patent Rights free and clear of any claim or interest of any other party, and (c) Assignor has not transferred, pledged, encumbered, granted a security interest in, or otherwise hypothecated any interest in the Patent Rights prior to the date hereof and other than with respect to the transactions contemplated by this Agreement.

5. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Utah, without regard to its principles of conflicts of laws.

6. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement may also be executed and delivered by facsimile signature and in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

7. Entire Agreement. This Agreement constitutes the full and entire understanding and agreement between the parties with respect to the subject matter hereof.

[Signature page follows.]

IN WITNESS WHEREOF, Assignor and Assignee have executed this Patent Assignment Agreement as of the Effective Date.
