AGREEMENT TO RESCIND
ASSIGNMENT OF INVENTIONS
AND
MUTUAL RELEASE

Whereas, Scott A. Horstemeyer, ("Horstemeyer"), an individual and resident of the state of Georgia, United States of America, attempted to convey, transfer, and assign to Legalview Assets Limited ("Legalview Assets"), a corporation of the British Virgin Islands, having a place of business at 17 Bond Street, St. Helier, Jersey, Channel Islands, his entire right, title, and interest to inventions in an Assignment of Inventions dated and effective 28 May 2003 with the erroneous belief that Legalview Assets was in existence and properly incorporated at that time;

Whereas, Legalview Assets was not officially incorporated until 1 July 2003;

Whereas, Appendix A includes a list of U.S. patents and currently pending patent applications that describe and claim the inventions involved in the 28 May 2003 Assignment; and

Whereas, for good and sufficient reasons, including lack of incorporation by Legalview Assets and lack of consideration paid by Legalview Assets to Horstemeyer, each of Horstemeyer and Legalview Assets desire to rescind the 28 May 2003 Assignment.

Now, therefore, by this Agreement, Horstemeyer hereby rescinds the 28 May 2003 Assignment and Horstemeyer hereby ratifies all acts, conveyances, transfers, licenses, and grants of rights made by Legalview Assets with third parties up to and including the date of this Agreement.

Legalview Assets hereby concurs and joins in this rescission and hereby confirms into Horstemeyer all rights and interests in all rights and obligations it may have created as a result of any acts, conveyances, transfers, licenses, and grants of rights made by it under the 28 May 2003 Assignment.

Each of Horstemeyer and Legalview Assets hereby agrees and confirms that Horstemeyer holds all right, title, and interest in and to (a) all the inventions, (b) the patents and patent applications listed in Appendix A, and (c) any and all provisional, continuation, continuation-in-part, divisional, reissue, reexamination, and foreign applications that correspond to the patents or patent applications of item (b) and that the parties shall be restored to *status quo ante* with respect to all of such property.

To the extent that the foregoing rescission is ineffective, for good and valuable consideration, Legalview Assets hereby assigns to Horstemeyer (1) all right, title, and interest in and to (a) all the inventions, (b) the patents and patent applications listed in Appendix A, and (c) any and all provisional, continuation, continuation-in-part, divisional, reissue, reexamination, and foreign applications that correspond to the patents

or patent applications of item (b) and (2) the right to seek remedies for any and all infringements of any of the patents and patent applications to collect and retain all damages and profits and enjoy any and all remedies granted for infringements.

Mutual Release

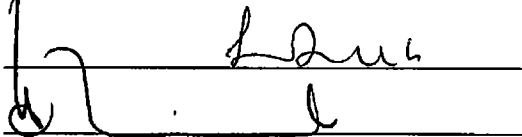

Legalview Assets releases, forgives, and forever discharges all claims, rights or causes of action existing on the Effective Date of this Agreement that it has against Horstemeyer, or the directors, officers, and employees of Horstemeyer, arising from the 28 May 2003 Assignment, whether such claims are known or unknown, asserted or unasserted, in the Litigation or elsewhere.

Horstemeyer releases, forgives, and forever discharges all claims, rights, or causes of action existing on the Effective Date of this Agreement that it has against Legalview Assets or the directors, officers, and employees of Legalview Assets, arising from the 28 May 2003 Assignment, whether such claims are known or unknown, asserted or unasserted, in the Litigation or elsewhere.

Counterpart Execution/Effective Date

This Agreement can be signed in multiple counterparts, each of which shall constitute an original. It shall become effective only upon execution by the last party to sign ("The Effective Date").
