ASSIGNMENT

1. **WHEREAS, I**, Jeffrey S. Brooks of Creve Coeur, Missouri ("Assignor"), am the owner of the entire right, title and interest in and to the United States patents listed below and the inventions disclosed therein;

2. **AND WHEREAS**, Trilogy Health Care Company, L.L.C. of St. Louis, Missouri, a limited liability Company duly organized and existing under the laws of the State of Missouri ("Assignee"), is desirous of acquiring the entire right, title and interest in and to said United States patents and said inventions;

3. **NOW, THEREFORE**, in consideration of the sum of one dollar (\$1.00) and other good and valuable consideration by Assignee to Assignor in hand paid, receipt of all of which is hereby acknowledged, I have agreed to and do hereby sell, assign and transfer unto said corporation my entire right, title and interest in and to said United States patents and said inventions, any other United States applications (including provisional, non-provisional, divisional, continuing or reissue applications) based in whole or in part on said United States patents or in whole or in part on said inventions, any foreign applications based in whole or in part on any of the aforesaid United States patents or in whole or in part on said inventions, and any and all patents (including extensions thereof) of any country which have been or may be granted on any of the aforesaid inventions or any part thereof;

4. **TO BE HELD AND ENJOYED BY** said corporation, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made;

5. **AND** so far as my interest is concerned I hereby authorize and request the Director of the United States Patent and Trademark Office of the United States of America to issue any and all United States patents which may be granted upon said inventions or any part thereof, to Assignee;

6. **AND** I hereby jointly and severally agree for myself and for my heirs, executors and administrators, to execute without further consideration any further lawful documents and any further assurances, and any provisional, non-provisional, divisional, continuing, reissue, or other applications for patents of any country, that may be deemed necessary by Assignee fully to secure to Assignee its interest as aforesaid in and to said inventions or any part thereof, and in and to said several patents or any part thereof;

7. **AND** I hereby jointly and severally covenant for myself and for my legal representatives, and agree with said corporation, its successors and assigns, that I have granted no right or license to make, use or sell said inventions, to anyone except Assignee, that prior to the execution of this deed my right, title and interest in said inventions had not been otherwise encumbered, and that I have not executed and will not execute any instrument in conflict herewith.

8. THE UNITED STATES PATENTS ARE AS FOLLOWS:
