## ASSIGNMENT (corrected)

This Assignment (corrected) cures a typographical error in the spelling of the name of assignee Imimtek, Inc. in the Assignment document executed on or about 2 February 2012 by assignor Abbas Rafii, and recorded on 3 February 2012 at Reel/Frame 027817/0153; the Notice of Recordation bears the number 103640487. The name of assignee Imimtek, Inc. was erroneously misspelled as "Imimitek, Inc." rather than "Imimtek, Inc." in that earlier recorded Assignment.

WHEREAS, the undersigned

Abbas Rafii, resident of Palo Alto, state of California;

(hereinafter termed "Inventor(s)") has/have invented certain new and useful improvements in:

### **TWO-DIMENSIONAL METHOD AND SYSTEM ENABLING THREE-DIMENSIONAL USER INTERACTION WITH A DEVICE**

having an oath or Declaration executed on 3 February 2012, and

[ ] to be filed herewith, or

[x] for which an application for a United States Patent was filed on 3 February 2012, having application number 13/385,134; and

WHEREAS,

IMIMTEK, INC., a corporation of the State of Delaware, having a place of business at 440 No. Wolfe Road, Sunnyvale, CA 94085 (hereinafter termed "Assignee") is desirous of acquiring the entire right, title and interest in and to said application and the invention disclosed therein, and in and to all embodiments of the invention, heretofore conceived, made or discovered jointly or severally by said Inventors (all collectively hereinafter termed "said invention"), and in and to any and all patents including continuation applications and patents and continuation-in-part application and patents, inventor's certificates and other forms of protection (hereinafter termed "patents") thereon granted in the United States and/or foreign countries.

NOW, THEREFORE, in consideration of good and valuable consideration acknowledged by said Inventors to have been received in full from said Assignee:

1. Said Inventors do hereby sell, assign, transfer and convey unto said Assignee, the entire right, title and interest (a) in and to said application and said invention; (b) in and to all rights to apply for foreign patents on said invention pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all applications filed and any and all patents granted on said invention in the United States and/or any foreign country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation or continuation-in-part of any of

said applications; and (d) in and to each and every reissue or extensions of any of said patents.

2. Said Inventors hereby jointly and severally covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right title and interest herein conveyed in the United States and/or foreign countries. Such cooperation by said Inventors shall include prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing, continuation-in-part, or additional applications covering said invention; (d) for filing and prosecuting applications for reissuance of any said patents; (e) for interference or other priority proceedings involving said invention; and (f) for legal proceedings involving said invention and any applications therefor and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by said Inventors in providing such cooperation shall be paid for by said Assignee.

3. The terms and covenants of this assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon said Inventors, their respective heirs, legal representatives and assigns.

4. Said Inventors hereby jointly and severally warrant and represent that they have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.

5. Said Inventors hereby authorize and request assignee to insert here in parentheses (Application number \_\_\_\_\_, filed \_\_\_\_\_) the application number and filing date of said application when known.

IN WITNESS WHEREOF, the said Inventors have executed and delivered this instrument to said Assignee as of the dates below written adjacent to each of their respective signatures.
