Assignee	Harman Becker Automotive Systems GmbH Becker-Göring-Straße 16 76307 Karlsbad Germany
Assignee Docket Number	P11108
Title of the Invention	Signpost Background
Documentation of the Invention	February 24, 2011
Assignment Effective Date	March 16, 2011

As of the Assignment Effective Date, Assignor and Assignee agree as follows:

- Development Agreement.** Effective October 29, 2009; Assignor and Assignee have entered into a Development Agreement under which Assignor develops for Assignee certain deliverables and provides to Assignee certain services as set forth therein. The Invention has been conceived in connection with work under the Development Agreement. All terms and conditions of the Development Agreement remain unaffected by this Assignment.
- Claiming of the Invention.** Assignor will provide to Assignee (a) the original Claiming Letter (*Inanspruchnahmeschreiben*) and (b) sufficient documentation that the Inventor was notified in time of such claiming. A copy of the fully executed claiming letter is attached hereto.
- Assignment.** Assignor hereby assigns to Assignee all right, title, and interest in and to the Assigned Invention, including all benefits and priority rights under any applicable convention to Assignee. Assignee accepts such assignment.
- Representation and Warranties.** Assignor represents and warrants that (a) Assignor is the owner of all rights, title, and interest in and to the Invention, (b) the Invention has been effectively claimed by Assignor according to Section 6 German Act on Employee Invention (§ 6 ArbEG), (c) the Assigned Invention has not been publicly disclosed, (d) no patent application or similar application for intellectual property protection has been applied for with respect to the Assigned Invention,
- Covenants.** Assignor covenants that Assignor (a) provides full assistance to the Assignee to enable the Assignee to draft one or more patent applications covering the subject-matter Invention, (b) will not challenge a patent that may be granted in the future for the subject-matter Invention and not to assist third parties in such challenges, and (c) will treat the Invention as Assignee's Confidential Information.
