Virak Orthopedic Research LLC, having a principal place of business at 115 Fairfield Dr., Short Hills, NJ 07078, (the "Assignee"), desires to secure its rights, title, and interest in said inventions in accordance with the ownership provisions set forth between Virak Orthopedic Research LLC and IMDS Corporation in that certain Joint Development Agreement effective February 1, 2011, and that certain Statement of Work #1 effective February 1, 2011, and any amendments pertaining thereto (the "Agreements").

In consideration of value paid or granted to Assignor by the Assignee pursuant to the Agreements with the Assignee, the receipt and sufficiency of which are hereby acknowledged,

EFFECTIVE OCTOBER 4, 2011, ASSIGNOR HEREBY ASSIGNS TO THE ASSIGNEE:

the apportioned right, title, and interest as set forth in the Agreements in said inventions and in the above-identified United States patent applications and in all provisionals, non-provisional, divisions, continuations and continuations-in-part of said application, or reissues or extensions of letters patent or patents granted thereon, in all corresponding applications filed under the Patent Cooperation

Treaty ("PCT"), and in all corresponding applications filed in any countries, territories, or jurisdictions worldwide, and in all patents issuing thereon in the United States and in any countries, territories, and jurisdictions worldwide; and

the right to file PCT or foreign patent applications on said inventions in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in all countries, territories, and jurisdictions worldwide as are duly authorized by their patent laws to issue patents, to issue any and all patents on said inventions to the Assignee and Assignor, together, as the owners of all rights, title, and interests in and to said inventions, for the sole use and benefit of Assignee and Assignor, their successors, assigns and legal representatives.

Assignor hereby authorizes and requests such Patent Office officials affiliated with the International Bureau of WIPO and duly authorized under the PCT to prosecute any PCT application on said inventions for the benefit of the Assignee and Assignor as the owners of all rights, title, and interests in and to said inventions, for the sole use and benefit of Assignee and Assignor, their successors, assigns and legal representatives.

This assignment and agreement shall be binding upon Assignor, its affiliates and legal representatives.
