**ASSIGNMENT**

For good and valuable consideration of which we acknowledge receipt, we: Kevin Helle and Jay Reed, hereby assign to **Medi-Physics, Inc.**, having an address and a place of business at **101 Carnegie Center, Princeton, NJ 08540** and its successors and assigns (collectively hereinafter called "the Assignee"), our entire right, title and interest throughout the world to the invention and improvements invented and originated by us as described in an application for United States Patent filed on March 31, 2010, U.S. Serial No. 61/319,629, entitled "**BRACHYTHERAPY TEMPLATE ADAPTOR**", and any and all applications for patents and patents therefrom in any and all countries, including all divisions, continuations, reexaminations, reissues, continuations-in-part and extensions thereof, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents and the like rights of exclusion and for inventor's certificates for said inventions and improvements; and we agree for ourselves and our heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patent referred to above to the Assignee, as the Assignee of the entire right, title and interest in and to the same, for the Assignee's sole use and behoof and for the use and behoof of the Assignee's legal representatives, successors and assigns, to the full end of the term for which such Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignor had this assignment and sale not been made.
