ASSIGNMENT

WHEREAS, we, the following named inventors, Vasu Rangadass and Ravi Seshadri (hereinafter referred to as "Assignor" whether singular or plural), of residences as listed below, having invented all inventions as described in an application for United States Letters Patent entitled OPERATING SYSTEM, said application having been executed on the date(s) set forth below, and said application having been filed on August 5, 2009 as U.S. Patent Application Serial No. 12/536,060; and

WHEREAS, Net.Orange, Inc. (hereinafter referred to as "Assignee"), a Texas corporation with an address of 5000 Quorum Drive, Suite 400, Dallas, TX 75254, desires to acquire Assignor's entire right, title and interest in and to the invention, and in and to the said application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor assigns to Assignee, all right, title and interest in and to said invention and in and to said application and all patents which may be granted therefor, and all divisions, reissues, continuations, continuations-in-part and extensions thereof; and Assignor hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as Assignor's interest is concerned, to Assignee.

Assignor also assigns to Assignee, all right, title and interest to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in Assignee.

Assignor hereby authorizes and requests the Commissioner of the United States Patent and Trademark Office and any official of any country or countries foreign to the United States, whose duty it is to issue patents or other forms of industrial property protection on said application or other aforementioned applications, to issue the same to Assignee (or any successors, assigns, or legal representatives).

Assignor will communicate to Assignee any facts known to Assignor respecting any improvements; and, at the expense of Assignee, we will testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute
