### ASSIGNMENT

Whereas **Dan Guatto, P. Eng.**, whose full post office address is 1323 Martley Drive, Mississauga, Ontario, L5H 1P1, Canada, and **Art Skidmore, CMA**, whose full post office address is 57 Tanager Drive, Guelph, Ontario, N1H 4E0, Canada (the "Assignors"), are the inventors of the invention entitled METHOD AND SYSTEM FOR LOAD SHIFTING, which is disclosed and claimed in the Canadian Patent Application No. 2,615,168, filed December 17, 2007 and United States Patent Application No. 11/958,650, filed December 18, 2007 (the "Invention").

And whereas **Halton Hills Hydro, Inc.**, whose full post office address is 43 Alice Street, Acton, Ontario, L7J 2A9 (the "Assignee"), has acquired from the Assignors all right, title and interest in and to the Invention for the United States of America and all countries throughout the world, including the right to obtain and hold patents therefor;

Therefore, for good and valuable consideration, the receipt and sufficiency of which is acknowledged, the Assignors hereby assign and transfer to the Assignee, and confirm that they have assigned and transferred to the Assignee the entire right, title, and interest in and to the aforesaid applications for Letters Patent, including any priority rights derived from the aforesaid applications for Letters Patent by virtue of the International Convention for the Protection of Industrial Property and any other treaty or understanding for intellectual property for any and all member countries of the aforesaid International Convention or other treaty or understanding, and the entire right, title and interest in and to any and all our inventions, whether joint or sole, disclosed in the aforesaid applications for Letters Patent, and in and to any and all applications for Letters Patent for any such inventions in any country whatsoever, and in and to any and all patents for any such inventions in any country whatsoever, with the sole right to file such applications in its name or ours, including the sole right to file such applications under the aforesaid International Convention or other treaty or understanding, together with the sole right to have said patents granted in its name or ours and to enforce said patents and to sue for and recover profits and damages for any and all infringements thereof, and hereby agree, whenever requested, to communicate to said assignee, its successors, assigns, and legal representatives, any facts known to us respecting said inventions, to testify in any legal proceeding, to execute all

applications, papers or instruments necessary or required by said assignee, its successors, assigns and legal representatives to carry into effect any of the provisions of this instrument, and generally to do everything possible to aid said assignee, its successors, assigns, and legal representatives to obtain and enforce proper patent protection for said inventions in any and all countries.

The Assignors hereby agree to execute without further consideration such further documentation as may be required to obtain any patent for the Invention and to vest rights in any patents or patent applications for the Invention in the Assignee.
