## ASSIGNMENT

Whereas, IHC Health Services, Inc., a corporation of the State of Utah, having a place of business at 36 S. State Street, Suite 2200, Salt Lake City, Utah 84111, is the owner of the entire right, title and interest in and to the patent application entitled MAGNETICALLY COUPLING DEVICES FOR MAPPING AND/OR ABLATING, filed in the United States Patent and Trademark Office as **Application No. 13/356,622**, on January 23, 2012, and the invention therein described; and

Whereas, Intermountain Invention Management, LLC, a limited liability company of the State of Utah, having a place of business at 36 S. State Street, Suite 2200, Salt Lake City, Utah 84111, is desirous of acquiring the entire right, title and interest in and to the said invention within the United States of America and its territorial possessions and within the countries foreign to the United States and any United States or foreign Letters Patent that may be granted therefore; and in and to said application;

Now, therefore, in consideration of good and valuable consideration paid by Intermountain Invention Management, LLC to IHC Health Services, Inc., the receipt of which is hereby acknowledged, IHC Health Services, Inc. has sold, assigned and transferred and by these presents does hereby sell, assign and transfer unto the said Intermountain Invention Management, LLC the entire right, title and interest in and to the said inventions within the United States of America and its territorial possessions and within all countries foreign to the United States and in and to any United States or foreign Letters Patent that may be granted therefore and in and to the said application and in and to any and all divisions, reissues, continuations, continuations in part, and extensions thereof and in and to any Letters Patent that may be granted thereon, all said rights to be held and enjoyed by Intermountain Invention Management, LLC for its own use and enjoyment of its successors and assigns to the full end of the term or terms for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by IHC Health Services, Inc. if this assignment, transfer and sale had not been made.

IHC Health Services, Inc., hereby authorizes and requests the United States Commissioner of Patents and Trademarks and all authorized officials of foreign patent offices to issue the said Letters Patent, when granted, to said Intermountain Invention

Management, LLC, as the assignee of its entire right, title and interest in and to the same, for the sole use and enjoyment of said Intermountain Invention Management, LLC, its successors and assigns.

In Testimony whereof, IHC Health Services, Inc. has caused the hand of its proper representative to be subscribed hereto this 22<sup>nd</sup> day of August, 2012.
