## ASSIGNMENT

WHEREAS, I, James R. Barfield Jr., ( "Assignor") of Atlanta, Georgia, invented new and useful improvements in "Method and system for detecting a fall based on comparing data to criteria derived from multiple fall data sets," for which a United States Patent Application was filed on August 29, 2012, and assigned Application No. 13/598,534; and

WHEREAS, HTI IP, LLC, ("Assignee"), a Delaware corporation, whose post-office address is 2002 Summit Boulevard, Suite 1800, Atlanta, Georgia 30319, is desirous of acquiring the entire interest in the same;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby does sell, assign and transfer unto Assignee the entire right, title and interest in and to said invention and application throughout the world, including, without limitation, any Letters Patent which may issue thereon, and any subsequent application claiming priority to the above-identified application, reissue, reexamination, divisional, continuation-in-part, extension or continuation thereof and all rights of priority under the Paris Convention arising from said application; the same for Assignee's legal representatives and assigns, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made;

AND, Assignor hereby binds himself, his heirs, legal representatives, administrators and assigns properly to execute without further consideration any and all applications, petitions, oaths and assignments or other papers and instruments which may be necessary in order to carry into full force and effect, the sale, assignment, transfer and conveyance hereby made or intended to be made and generally do everything possible to aid Assignee, its legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries throughout the world.

IN WITNESS WHEREOF, I have executed this Assignment this 29 day  
of August, 2012.

  
James R. Barfield
