Assignment

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the undersigned, Raymond E. Garvey, residing at 544 Cove Creek Rd., Loudon, TN 37774-7216, a citizen of United States; do hereby sell, assign, and transfer to **CSI TECHNOLOGY, INC.**, a corporation of Delaware, having a principal place of business at 300 Delaware Avenue, Suite 1704, Wilmington, DE 19801 ("Assignee"), its successors, assigns, and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all Subject Matter (including all inventions and improvements) that are disclosed in the application for United States Letters Patent,

(X) which has been executed by the undersigned concurrently herewith,

and is entitled **METHOD OF AUTOMATING A THERMOGRAPHIC INSPECTION PROCESS**, and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said Subject Matter; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said Subject Matter; and in and to all rights of priority resulting from the filing of said United States application; and

Agree that said Assignee may apply for and receive Letters Patent for said Subject Matter in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said Subject Matter; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said Subject Matter and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said Subject Matter and for vesting title to said Subject Matter and all applications to patents and all patents on said Subject Matter, in said Assignee, its successors, assigns and legal representatives; and

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
