ASSIGNMENT OF ENTIRE INTEREST

The undersigned, **CANADIAN WELLHEAD ISOLATION CORPORATION**, whose full post office address is #34 Industrial Drive, Sylvan Lake, Alberta, Canada, T4S 1P4, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, do hereby assign to **STREAM-FLO INDUSTRIES LTD.**, the Assignee, whose address is 4505-74 Avenue, Edmonton, Alberta, Canada, T6B 2H5, its successors, assigns and legal representatives, the entire right, title and interest in, to and under:

1. a patent application for a Canadian patent entitled "*Down-hole actuation device storage apparatus and method for launching*" as fully described and claimed in a patent application for a Canadian patent filed as application no. **2,673,882**, on July 23, 2009, with the Commissioner of Patents of the Canadian Intellectual Property Office;
2. a patent application for a United States patent entitled "*Down-hole actuation device storage apparatus and method for launching*" as fully described and claimed in a patent application for a United States patent filed as serial no. **12/508,455**, on July 23, 2009, with the United States Patent and Trademark Office;

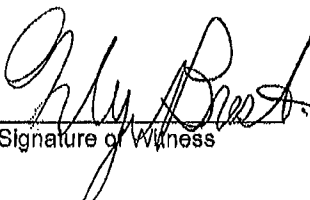

and any and all applications for Letters Patent of these or any other countries which have been or may be filed, based either in whole or in part upon any or all of said inventions or discoveries, including all rights of priority under the International Convention in foreign countries and the right to file and prosecute such applications; and any and all Letters Patent which have been or may be granted by those or any other countries based either in whole or in part upon any or all of said inventions or discoveries on said applications;

3. Canadian patent no. **2,357,446**, entitled "*A device for introducing a high pressure fluid into well head components*" and issued on December 2, 2003; and
4. United States patent no. **6,470,965**, entitled "*Device for introducing a high pressure fluid into well head components*" and issued on October 29, 2002;

the same to be held and enjoyed by the said Assignee as fully and entirely as the same could have been held and enjoyed by the undersigned if this assignment had not been made, along with the right to sue for past infringement thereof and remedies relating thereto. The Commissioners of Patents, or other proper office, is hereby authorized and requested to issue any and all such Letters Patent to the Assignee herein named.

CANADIAN WELLHEAD ISOLATION CORPORATION

Per: Colin David Winzer, Director

Signature of Witness
