ASSIGNMENT

WHEREAS, I, **Kurt S. Hansen**, a citizen of the United States of America, resident of the City of Chesterfield in the State of Missouri, whose full post office address is 14523 Marmont Drive, Chesterfield, Missouri 63017, have invented certain improvements in **Automated Timing Systems and methods Having Multiple Time Event Recorders and an Integrated User Time Entry Interface** for which I am about to make, and have executed, application for Letters Patent of the United States, identified by Attorney's Docket No. **INTI D534U1**;

AND, WHEREAS, Innovative Timing Systems, LLC, a corporation organized under the laws of Missouri and having a place of business at 11671 Lilburn Park Road, St. Louis, Missouri 63146-3535, is desirous of acquiring the entire right, title and interest in and to said improvements and all patent rights therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, said **Kurt S. Hansen** do hereby sell, assign, transfer and set over unto said Innovative Timing Systems, LLC, the entire right, title and interest in and to said improvements, and in and to all Letters Patent and patent rights which may be granted or issued for said improvements, in the United States and all foreign countries, and any reissue, reexamination, continuation, continuation-in-part, division, or extension thereof, the same to be held and enjoyed by said Innovative Timing Systems, LLC, a corporation, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this Assignment and sale had not been made; and I agree to execute such further applications, powers of attorney, assignments and other documents as may be necessary or desirable to effectuate this Agreement.

AND I DO HEREBY authorize and request the Commissioner of Patents and Trademarks to issue that said Letters Patent, when granted, to the said Innovative Timing Systems, LLC, a corporation, its successors and assigns, as assignees of the entire right, title and interest in and to said improvements, for the sole use and behoof of said Innovative Timing Systems, LLC, a corporation, and for its successors and assigns, to the full ends of the terms for which Letters Patent may be granted.

AND I further grant to Innovative Timing Systems, LLC, a corporation, its successors and assigns, the right to claim for any application for patent for said improvements the full benefit of any international agreement between the United States and any foreign country or countries.

Date: 7/27/2011
