PATENT SECURITY AGREEMENT

THIS PATENT SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, this "Agreement") dated as of August 22, 2012, is entered into by **CTPG OPERATING, LLC**, a Delaware limited liability company ("Debtor") in favor of **PINE STREET CAPITAL PARTNERS II, LP** ("Secured Party").

WITNESSETH:

WHEREAS, pursuant to that certain Note Purchase Agreement dated as of the date hereof by and among Debtor, Secured Party and CTPG Acquisition, LLC, a Delaware limited liability company (as amended, restated, supplemented or otherwise modified from time to time, the "Note Purchase Agreement"), Secured Party has agreed to make certain loans and other financial accommodations for the benefit of Debtor; and

WHEREAS, Secured Party is willing to make the loans and other financial accommodations as provided for in the Note Purchase Agreement on the condition, among others, that Debtor shall have executed and delivered to Secured Party (a) that certain Security Agreement dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement") by and between Debtor and Secured Party and (b) to the extent applicable, this Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Note Purchase Agreement. The term "Patents" shall mean patents and patent applications, including (i) the patents and patent applications listed on Schedule 1 attached hereto, (ii) all continuations, divisionals, continuations-in-part, re-examinations, reissues, and renewals thereof and improvements thereon, (iii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past, present, or future infringements thereof, (iv) the right to sue for past, present, and future infringements thereof, and (v) all of Debtor's rights corresponding thereto throughout the world.

2. GRANT OF SECURITY INTEREST IN PATENT COLLATERAL. To secure the Obligations, Debtor hereby grants to Secured Party a continuing first priority security interest in all of such Debtor's right, title and interest in, to and under the Patents (collectively, the "Patent Collateral").

3. AGREEMENT; SECURITY AGREEMENT. The security interests granted pursuant to this Agreement are granted in conjunction with the security interests granted to Secured Party pursuant to the Security Agreement. Debtor hereby acknowledges and affirms that the rights and remedies of Secured Party with respect to the security interest in the Patent Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. COUNTERPARTS. This Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Agreement by signing and delivering one or more counterparts.

5. SEVERABILITY. In the event and to the extent that any provision hereof shall be deemed to be invalid or unenforceable by reason of the operation of any law or by reason of the interpretation placed thereon by any court, this Agreement shall to such extent be construed as not containing such provision, but only as to such locations where such law or interpretation is operative, and the invalidity or unenforceability of such provision shall not affect the validity of any remaining provisions hereof, and any and all other provisions hereof which are otherwise lawful and valid shall remain in full force and effect.

6. ASSIGNMENTS. This Agreement shall create a continuing lien on and security interest in the Patent Collateral and shall be binding upon Debtor and its successors and assigns and shall inure to the benefit of Secured Party and its successors and permitted assigns.

7. GOVERNING LAW. This Agreement, and the rights and duties of the parties hereto, shall be construed and determined in accordance with the internal laws of the State of New York.

[Signature Page Follows]

IN WITNESS WHEREOF, Debtor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

CTPG OPERATING, LLC

By: 
Name: Jason R. Hall
Title: President
