WHEREAS, the undersigned, VON K. McCONNELL, have made certain and useful inventions as set forth in an application for United States Letters Patent entitled SUBSCRIBER CONTROL OF ACCESS RESTRICTIONS ON A PLURALITY OF THE SUBSCRIBER'S TELEPHONE LINES, filed concurrently herewith.

AND WHEREAS, Bell Atlantic Network Services, Inc., a corporation of the State of Delaware, and having a place of business at 1310 North Court House Road, Arlington, Virginia 22201, hereinafter referred to as "Assignee", is desirous of acquiring the entire right, title and interest in and to said inventions and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, I do hereby sell, assign, transfer and set over unto Bell Atlantic Network Services, Inc., its legal representatives, successors, and assigns, the entire right, title and interest in and to said inventions, as set forth in the above-mentioned applications, and in and to any and all patents of the United States and foreign countries which may be issued for said inventions;

UPON SAID CONSIDERATIONS, the undersigned hereby agree with the said Assignee that the undersigned will not execute any writing or do any act whatsoever conflicting with these presents, and that the undersigned will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reexamined, reissued, or extended Letters Patent of the United States or of any and all foreign countries on said inventions, and in enforcing any rights or choses in action accruing as a result of such applications or patents; by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and assignee;

AND the undersigned request the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Bell Atlantic Network Services, Inc., its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
