have invented certain new and useful improvements in

**FOOD PAN GUIDE**

an invention which is fully described in a non-provisional PATENT APPLICATION of the United States filed **March 30, 2012** and assigned Serial No. **13/436,825**; and

the ASSIGNEE, **THE DELFIELD COMPANY LLC**, a DELAWARE limited liability company having its principal office at 980 South Isabella Road, Mt. Pleasant, Michigan 48858 (US) , wishes to acquire the entire right, title and interest in and to the invention and under Letters Patent which may be obtained for this invention.

For valuable and legally sufficient considerations, receipt of which are hereby acknowledged, the Assignors sell, assign and transfer to Assignee, its successors and assigns, the entire right, title and interest for the United States in and to the above-identified invention and any non-provisional application, divisionals, continuations, and continuations-in-part and for the full term of any Letters Patent of the United States that may issue for the invention.

The Assignors also sell, assign and transfer to Assignee the entire right, title and interest in and to the invention and any application for Letters Patent and Letters Patent therefor in all countries foreign to the United States, including all rights under the International Convention and in International Application No. **PCT/US2012/031724** filed **March 30, 2012** in the Receiving Office of the International Bureau of WIPO. The Assignors further authorize Assignee to apply for Letters Patent in foreign countries in the name of Assignee,

174.9095USU  
174.9095WOU

and to claim the priority of the filing date of the United States Provisional Application under the provisions of the International Convention.

The Assignors further agree, for themselves and their legal representatives, that they will assist Assignee in the prosecution before the United States Patent Office and the Federal Courts of this application, and other applications for Letters Patent including renewals, continuations, divisions, reissues and substitutions, that the Assignee elects to make covering the invention. The Assignors vest in Assignee like exclusive title in and to all such other applications and Letters Patent. The Assignors will execute and deliver to Assignee any documents which may be requested by Assignee to carry out the terms of this Assignment.

The Commissioner of Patents of the United States is authorized and requested to issue Letters Patent of the United States to Assignee. The Assignors also authorize and request the equivalent authorities in foreign countries to issue the patents of foreign countries to Assignee.
