PATENT

ASSIGNMENT OF PATENT RIGHTS
(Company to Company)

TWI Interactive, Inc. an Ohio corporation, and having its principal place of business at 20 Guest Street, Brighton Landing East, Brighton MA 02135 (herein referred to as "Assignor") owns the entire right, title and interest in any patentable invention(s) by any company employee(s) and any other individual and/or entity under a contractual obligation to assign any such invention(s) to Assignor ("said inventions(s)"), including invention(s) disclosed in any Letters Patent(s) ("said patent(s)") and any Patent application(s) ("said application(s)") set forth in the attached Schedule A.

WHEREAS, MCI Worldcom Network Services, Inc., a corporation duly organized under and pursuant to the laws of Delaware, and having its principal place of business at 22001 Loudoun County Parkway, Ashburn, VA 20147 (herein referred to as "Assignee"), is desirous of acquiring the entire right, title, and interest in and to said invention(s), said application(s), and said patent(s), the right to file applications on said invention(s), the entire right, title and interest in and to any applications for Letters Patent of any countries claiming priority to said application(s), the right to recover damages, including provisional or other royalties, for prior infringements of said application(s) and said patent(s), and the entire right, title, and interest in and to any Letters Patent or Patents to be obtained for said invention(s) and said application(s);

NOW, THEREFORE, for good and sufficient consideration, the receipt of which is hereby expressly acknowledged, the Assignor has sold, assigned, transferred, and set over, and by these presents does sell, assign, transfer, and set over, unto the Assignee, its successors, legal representatives, and assigns the entire right, title, and interest in and to said invention(s), said application(s), and said patent(s), the right to file applications on said invention(s), the entire right, title and interest in and to any applications for Letters Patent of any countries claiming priority to said application(s), including divisions, continuations, and continuations-in-part of said application(s), the right to recover damages, including provisional or other royalties, for prior infringements of said application(s) and said patent(s), the entire right, title and interest in and to any and all Letters Patent or Patents to be obtained for said invention(s) and said application(s), the entire right, title and interest in and to any and all reissues, re-examinations and extensions of said patent(s), and all rights under the Hague Convention, the Paris Convention for the Protection of Industrial Property, and under the Patent Cooperation Treaty, the same to be held and enjoyed by the Assignee, for its own use and behalf and the use and behalf of its successors, legal representatives, and assigns, to the full end of the term or terms for which Letters Patent or Patents may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, the Assignor is the sole and lawful owner of the entire right, title, and interest in and to said invention(s), said application(s), and said patent(s), and that the same are unencumbered, and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the Assignee, its successors, legal representatives, and assigns that the Assignor will, whenever
