ASSIGNMENT

WHEREAS, WE, Ty A. White, residing at 3908 South Pillsberry, Sioux Falls, South Dakota 57103; and Aaron J. Emerson, residing at 6502 East Dan Ridge, Sioux Falls, South Dakota 57110, have made certain new and useful inventions and improvements for which we filed Application Serial No. 13/626,457 for Letters Patent of the United States on 25 September 2012, titled SYSTEM AND METHOD FOR TRANSFERRING PATIENTS.

AND WHEREAS, CEGA Innovations, LLC, a limited liability company organized and existing under and by virtue of the laws of the State of South Dakota and having an office and place of business at 300 North Dakota Avenue, Suite 510, Sioux Falls, South Dakota 57104 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereon is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the Assignee, its successors and assigns.

We further authorize the Assignee or their legal representative to insert the serial number and filing date into this instrument once the U.S. Patent and Trademark Office has assigned this information to the application.

AND, for the consideration aforesaid, we do hereby agree that we and our respective executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts and proceedings and generally do all things which may be necessary or desirable more effectually to secure and to vest in said Assignee, its successors or assigns, the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the right and property

Aaron J. Emerson

On this 14th day of March, 2012, before me personally appeared Aaron J. Emerson, personally known to me or proved to me on the basis of satisfactory evidence to be the person whose name is subscribed to the within instrument, and acknowledged to me that he executed the same of his authorized capacity, and that by his signature on the instrument, the person, or the entity upon behalf of which the person acted, executed the instrument.
