ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

For good and valuable consideration, the receipt of which is hereby acknowledged, Troy T. Pribbanow, Doyle and Caryn Moss, Weston and Jodi Clark, and A. John Pate ("Individuals"), each individually, and on behalf of any interest each has, had, or may have in entities having or having had any interest in the Game Call Patents, including, but not limited to any interest Individuals may have had in: D & C Global Enterprises, LLC, GCP Holding Company, LLC; Mossback Productions, Inc.; Mossback Game Calls, Inc.; Mossback Enterprises LLC; Pate, Pierce & Baird, PC; Pate Baird PLLC and WJ Enterprises, Inc. ("Entities"), the Individuals representing they have authority to act on behalf of the respective Entities regarding any interest Entities may have in the Game Call Patents (collectively "Assignors"), do hereby sell, assign, transfer, and convey unto Outdoor Group Game Calls LLC (the "Company") and/or the Company's designee(s), all of Assignors' right, title, and interest in and to all intellectual property rights listed in Schedule A, attached hereto, and/or acquired and/or developed by or for Assignors and/or used or planned to be used in the business of Assignors, provided they relate specifically to game calls and/or the Game Call Patents, and were developed prior to the effective date of this Assignment (collectively "Intellectual Property Rights"), including, but not limited to:

All published and unpublished technical, marketing, and other information and materials, whether or not confidential and whether or not copyrightable;

All inventions and discoveries, whether or not the subject matter of any patent applications or patents;

All United States, international, and foreign patent applications and patents, whether or not listed in Schedule A attached to and forming part of this Assignment; including any and all reexaminations, post-grant reviews, reissues, divisionals, renewals, extensions, provisionals, continuations, and continuations-in-part of any of the foregoing;

All rights under all intellectual property licenses, assignments and contracts to and under which Assignor is a party or a beneficiary; and

All applications to and approvals from any and all governments and government agencies relating to intellectual property rights.

Assignors further assign and convey to Company and/or Company's designee(s) (1) all rights to all past, present, and future causes of action and enforcement rights to all of the Intellectual Property Rights, including all rights to pursue damages, injunctive relief, and other remedies for past, present, and future infringement; and (2) the right to apply in any or all countries of the world, in the name of Company or its designee(s), for patents, registrations, and other governmental grants or approvals for the Intellectual Property Rights, including, without limitation, under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, or any other convention, treaty, agreement, or understanding.

To the knowledge of Assignors, Assignors represent, warrant, and covenant that Assignors own the full right and title to the Intellectual Property Rights, and that other than Assignors, no licenses or other rights under any of the Intellectual Property Rights have been granted to any third parties, that neither Assignors nor any of their representatives are aware of any claim, fact, or matter that may affect the validity or enforceability of any of the Intellectual Property Rights, that neither Assignors nor any of their representatives have any notice, knowledge or cause to believe that any of the Intellectual Property Rights may violate the rights of any third party, that the information provided by Assignors with respect to the Intellectual Property Rights is reliable and complete to the best of Assignors' and their representatives' knowledge, information and belief, and that Assignors have full power to make this Assignment and to sell, assign, transfer and convey the rights as provided herein.

Assignors will, at the reasonable request of Company, at its sole cost and expense and without demanding any further consideration therefor, do all things necessary, proper, or advisable, including, without limitation, the execution, acknowledgment and recordal of specific assignments, oaths, declarations and other documents, to assist

Company in obtaining patents, registrations and other governmental grants or approvals for, perfecting title to, and enforcing the Intellectual Property Rights. Assignors hereby irrevocably appoint Company as their sole attorney-in-fact to execute any document reasonably required to accomplish any or all of the foregoing purposes.

The terms and conditions of this Assignment shall inure to the benefit of Company, its designees, successors, assigns and other legal representatives, and shall be binding upon Assignors, their successors, assigns and other legal representatives.

This Assignment may be executed in one or more counterparts, and by facsimile or digital signature each of which shall be deemed to be an original, but all of which together shall constitute one and the same instrument.
