filed.....July...5,...2012....., and assigned U.S. Serial Number.....29./426.,426.....,  
and we authorize and request the attorneys appointed in said application to hereafter complete  
this assignment by inserting above the filing date and serial number of said application when  
known; this assignment including said application, any and all United States and foreign  
patents, utility models, and design registrations granted for any of said inventions or  
improvements, and the right to claim priority based on the filing date of said application under  
the International Convention for the Protection of Industrial Property, the Patent Cooperation  
Treaty, the European Patent Convention, and all other treaties of like purposes; and we  
authorize the Assignee to apply in all countries in our name or in its own name for patents,  
utility models, design registrations and like rights of exclusion and for inventors' certificates  
for said inventions and improvements; and we agree for ourselves our respective heirs, legal  
representatives and assigns, without further compensation to perform such lawful acts and to  
sign such further applications, assignments, Preliminary Statements and other lawful  
documents as the Assignee may reasonably request to effectuate fully this assignment.
