ASSIGNMENT OF PATENT APPLICATION

WHEREAS, GEAR & BROACH, INC., a Delaware corporation with a place of business at 7204 Winnetka Avenue North, Brooklyn Park, Minnesota 55428 (the "Assignor"), is the owner of certain new and useful improvements in VEHICULAR ACTUATOR ARRANGEMENT AND IMPLEMENTATIONS, for which an application for United States Letters Patent was filed on June 13, 2008, and assigned U.S. Serial No. 12/521,971; and

WHEREAS, AMERICAN GEAR PRODUCTS, LLC, a Delaware limited liability company with a place of business at 5275 Quincy Street, Moundsview, Minnesota 55112 (the "Assignee"), are desirous of acquiring the entire right, title and interest in and to the said invention, and in and to the said application and any Letters Patent that may issue thereon, and Assignor is desirous of assigning its entire right, title and interest in and to the said invention and in and to the said application, and any Letters Patent that may issue thereon;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00), and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell, assign and transfer to Assignee, and to its successors and assigns, the entire right, title and interest in and to the said invention and in and to the said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, reexaminations, continuations and extensions thereof; and Assignor hereby authorizes and requests the Assistant Commissioner of Patents to issue all patents for said invention, or patents resulting therefrom, to Assignee.

Assignor also hereby sells and assigns to Assignees, their respective successors and assigns, all foreign rights to the invention disclosed in said application, in all patent-granting countries of the world, including the right to file applications and obtain patents for said invention in its own name in said countries, including all rights of priority under the terms of the International Convention for the Protection of Industrial Property, and further agrees to execute any and all patent applications, assignments, affidavits, and any other papers in connection therewith necessary to perfect such patent rights.

Assignor hereby covenants and agrees that, at the time of execution and delivery of this instrument, it is the lawful owner of the complete right, title and interest in and to the said invention, and in and to the said application and any Letters Patent that may issue thereon, and its interest is unencumbered and that it has good and full right and lawful authority to sell and convey its interest in the manner set forth herein.

Assignor hereby further agrees to communicate to Assignee, and to its successors, assigns and representatives, and facts known respecting any improvements, and at the request and expense of Assignees, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue, reexamination and substitute applications, make all lawful oaths, and generally do everything possible to aid Assignees, their respective successors, assigns and representatives to obtain and enforce proper patent protection for said invention in all countries.
