ASSIGNMENT

THIS ASSIGNMENT, made by us, Ben H. Liu, a citizen of the United States of America, residing in Raleigh, NC; Jeffrey R. SooHoo, a citizen of the United States of America, residing in Raleigh, NC; and Meghan E. Vidt, a citizen of the United States of America, residing in Winston-Salem, NC;

WITNESSETH: That,

WHEREAS, we are the joint inventors of certain new and useful improvements in **FLUID SENSORS AND RELATED DETECTORS AND METHODS**, for which a provisional application was filed in the United States Patent and Trademark Office on February 28, 2011, having Application No. 61/447,287 and for which U.S. Patent Application No. 13/407,163 was filed on February 28, 2012 in the United States Patent and Trademark Office; and

WHEREAS, we inventors were under obligation to assign the provisional application and invention(s) to **Plexigen, Inc.**, a North Carolina corporation having a principal place of business at 3700 Regency Parkway, Suite 120, Cary, NC 27518;

WHEREAS, Dr. Ben Liu (the Assignee) acquired all rights to the invention(s) and any patent application(s) therefor on November 30, 2011 pursuant to a certain Sale and Disposition of Collateral carried out by **Bioplex LLC** pursuant to the Notice of Default, Failure to Cure, Sale of Collateral dated October 12, 2011 and the Promissory Note and Security Agreement dated June 9, 2011, wherein **Plexigen, Inc.** pledged all rights to the invention(s) and any patent application(s) therefor to secure a debt owed to **Bioplex LLC**;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and/or by these presents do hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, the entire right, title, and interest in and to the said invention(s) and applications, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as

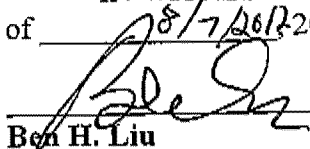

Attorney Docket No. 9705-4

fully and entirely as the same would have been held and enjoyed by us if this assignment and sale had not been made.

We hereby request that said Letters Patent be issued in accordance with this assignment.

We further covenant and agree to promptly communicate to said Assignee or its representatives any facts known to us relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and we hereby instruct, and further covenant and agree to bind our heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said Assignee or its representatives.
