## ASSIGNMENT OF PATENT RIGHTS

This Agreement is by and between

(a) GAZINGA, LLC ("Assignor"), a limited liability corporation, with offices at 1295 West 75 North, Centerville, Utah 84014, and

(b) FRANKLIN MILL, LLC ("Assignee"), a limited liability company, with offices at 425 North 400 West, Salt Lake City, Utah 84103.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor sells, assigns, and transfers to Assignee:

The entire right, title, and interest in and to the patents and patent applications identified on Exhibit "A" and to their underlying inventions including any divisional, continuation, continuation-in-part thereof or any reissue, substitution, renewal, or extension thereof, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and foreign countries.

The entire right to file foreign patent applications in its own name wherever such right may be legally exercised, including the right to claim the benefits under the International Convention for the Protection of Industrial Property for such applications.

The entire right, title and interest in and to all income, royalties, damages, and payments hereafter due or payable with respect thereto relating to activities after the date hereof, and the right to sue, counterclaim, and recover for future infringement of the rights assigned herein.

Assignor hereby authorizes and requests the Director of the United States Patent and Trademark Office, and the patent office or agency of all foreign countries and multinational organizations, to issue any and all patents on said inventions to the Assignee as the owner of the entire interest, for the sole use and benefit of the said Assignee, its successors, assigns and legal representatives, for the full term or terms for which the same may be granted.

Assignor hereby agrees and represents, without further consideration and without expense to Assignor, that its representatives and the inventors are obligated to sign all lawful papers and perform all other lawful acts which the Assignee may request to make this Assignment fully effective, including, by way of example but not of limitation:

Prompt execution of all original, divisional, continuation, continuation-in-part, reissue, substitute, and other United States and foreign patent applications on said inventions, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said inventions.

IN TESTIMONY WHEREOF, Assignor has caused this Assignment to be executed by its duly authorized officer, effective as of December 31, 2011.

Assignor:

GAZINGA, LLC
