AGREEMENTS

In consideration of and in exchange for good and valuable consideration, the sufficiency and receipt of which is acknowledged, Assignor agrees as follows:

1. Assignor acknowledges that s/he is an original, first, and sole or joint inventor of the Invention.
2. Assignor assigns and transfers to Assignee, the entire right and title to the Invention, and to any and all patent applications filed thereon in the U.S. and foreign countries, and to claim priority of any and all patent applications, and to any and all divisions, continuations or continuations-in-part thereof, and to any and all regular applications based on any provisional application, and to any and all improvements in the Invention made by Assignor, or made jointly with others, and to any and all patents based thereon, in the U.S. and foreign countries, and to any and all reissues or extensions thereof.
3. Assignor agrees to execute and deliver, without further consideration, any further documents, and to perform such other acts as they lawfully may, that may be deemed necessary by the Assignee, to secure its interest, and to obtain or maintain applications and/or patents in any and all countries.
4. Assignor authorizes and requests the Commissioner of Patents and Trademarks to issue any and all patents which may be granted upon any and all applications referred to herein, to the Assignee.
5. Assignor authorizes the Assignee to insert in this Assignment document the filing date, serial number, patent number and/or issue date of any patent application and/or patent referred to herein, when ascertained.
6. Assignor acknowledges that s/he has the right to make this Assignment and that s/he has made no other assignment, license or other agreement affecting the rights conveyed.
7. This Assignment shall be binding upon and inure to the benefit of the Assignor and the Assignee, and their heirs, successors and/or assigns.
8. This Assignment shall be governed and construed in accordance with the laws of the U.S. and the State of Wisconsin. Assignor agrees to submit voluntarily to the jurisdiction and venue of any court situated in said State with respect to any dispute pertaining to this Assignment.
