## **ASSIGNMENT**

WHEREAS, we, Jonathan S. Anderson and William M. McInnes, Jr. are the co-inventors of an invention related to a railroad crossing gate height adjustment assembly and method and are applying for Letters Patent herein.

NOW, THEREFORE, for good and valuable consideration, receipt of which is acknowledged, we have agreed to assign and transfer and do hereby assign and transfer unto Signal Innovations, Inc., a Florida corporation, having an address of 1700 Wells Road, Suite 25, Orange Park, Florida 32073, and its successors and assigns, the entire right, title and interest in and to said invention and application, and in and to any division, continuation or continuation-in-part of said application, and in and to any and all letters patent and reissues and extensions thereof of the United States of America and countries foreign thereto (including the right to apply for letters patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise) which have been or may be granted on any of the foregoing to be held and enjoyed as fully and exclusively as they would have been by us had this assignment and transfer not been made.

We do further agree to execute and deliver without further consideration any further application, assignments and documents, and to perform such other acts as we lawfully may that may be deemed necessary by Signal Innovations, Inc., its successors

and assigns, fully to secure its interest as aforesaid and to obtain or maintain letters patent in any and all countries.

IN WITNESS WHEREOF, we have hereunto signed our names on the day and year set forth below.

Date: 10-5-12

  
Jonathan S. Anderson, co-inventor

Date: 10-5-12
