CONFIRMATION OF ASSIGNMENT

The undersigned is an officer of TPI Acquisition Subsidiary, Inc. ("TPI").

TPI is the owner by assignment of US Patent 5,894,866 ("the '866 patent"), which ownership interest is documented in the attached Patent Assignment Abstract of Title. I have reviewed the attached document and understand that the assignment of the '866 patent included the assignment of all divisional applications related to the '866 patent.

US Patent 6,021,818 is a division of the '866 patent. TPI hereby confirms and wishes to record its ownership interest in the US Patent 6,021,818 with the United States Patent and Trademark Office.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the patents referenced above.
