## **PATENT ASSIGNMENT**

**WHEREAS**, Xylos Corporation, a Delaware corporation of 838 Town Center Drive, Langhorne, Pennsylvania 19047, U.S.A. ("Assignor"), is the owner of the patents and applications listed on the attached schedule ("Schedule").

**WHEREAS**, Elliot Capital Investments III, Ltd., a British Virgin Islands business company of Vanterpool Plaza, 2<sup>nd</sup> Floor, Wickhams Cay 1, Road Town, Tortola, British Virgin Islands ("Assignee"), desires to acquire Assignor's rights in the patent applications set forth in the attached Schedule.

**WHEREAS**, Assignor desires to transfer to Assignee its right, title and interest in and to said patents and applications and the inventions described therein.

**NOW THEREFORE**, for \$10.00, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor by these presents does sell, assign, transfer and convey unto Assignee, its successors, assigns and legal representatives, its entire, right, title and interest in and throughout the United States (including its territories and dependencies) and all countries foreign thereto:

(a) in and to the inventions disclosed in the various patents and applications listed on the Schedule;

(b) in and to the patents and applications listed on the Schedule and any and all related United States and foreign patent applications disclosing said inventions, including provisionals, nonprovisionals, divisions, continuations, continuations-in-part, and continued prosecution applications and any other related United States and foreign patent applications thereof, along with all rights of priority created by said patent applications under the Paris Convention, and any other treaty relating thereto;

(c) in and to all United States and foreign patents which may be granted on any and all of said patents and applications, including extensions, reissues and reexamination certificates thereof; and

(d) in and to all rights to sue for and damages resulting from past, present and future infringement of all United States and foreign patents granted or to be granted on said applications and inventions disclosed therein, and related patents and patent applications including extensions, reissues, and reexamination certificates thereof;

said inventions, patents and patent applications, and rights to damages to be held and enjoyed by the above-named Assignee, for Assignee's own use and benefit, and for Assignee's legal representatives and assigns to the full end of the term or terms for which said patents may be granted, as fully and entirely as the same would have been held by the undersigned Assignor had this assignment and sale not been made.

Upon request of Assignee, and without further remuneration, Assignor will execute any and all papers desired by Assignee for the filing and granting of patent applications and the perfecting of title thereto in Assignee.

IN WITNESS WHEREOF, a duly authorized officer of Assignor and Assignee has executed this agreement on the date listed below.
