ASSIGNMENT

For good and valuable consideration received of the hereinafter named assignee, receipt of which is hereby acknowledged, the undersigned

Michael J. Schuster
205 Earl Road, Suite 3
Shorewood, Illinois 60404

Duston E. A. Stutzman
205 Earl Road, Suite 3
Shorewood, Illinois 60404

Douglas C. Saunders
205 Earl Road, Suite 3
Shorewood, Illinois 60404

hereby sell and assign to MJSI, Inc., a corporation of the State of Illinois, having a place of business at 205 Earl Road, Suite 3, Shorewood, Illinois, 60404, its successors and assigns, the entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to the inventions entitled

TOILET BOWL OVERFLOW PREVENTION

for which application for United States Letters Patent has been filed on July 28, 2012, under Serial Number 13/561,009, and which claims priority to provisional patent application No. 61/513,399, filed July 29, 2011, entitled "Toilet Flush Valve With Bowl Overflow Prevention", or said application was executed by the undersigned on the date below and is being filed concurrently herewith, said application for United States Letters Patent, any and all other applications for Letters Patent on said inventions in countries foreign to the United States, including all divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patent and reissues and extensions of Letters Patent granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent; said assignee being hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of the undersigned or in the name of said assignee or otherwise as said assignee may deem advisable, under the International Convention or otherwise; the Commissioner for Patents of the United States of America and the empowered officials of all other governments being hereby authorized to issue or transfer all said Letters Patent to said assignee in accordance herewith; this assignment being under covenant, not only that full power to make the same is had by the undersigned, but also that such assigned right is not encumbered by any grant, license, or other right heretofore given, and that the undersigned will do all acts reasonably serving to assure that said inventions, patent applications and Letters Patent shall be held and enjoyed by said assignee as fully and entirely as the same could have been held and enjoyed by the undersigned if this assignment had not been made, and particularly to execute and deliver to said assignee all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits in form and substance which may be requested by said assignee, to furnish said assignee with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to

practice of said inventions, and to testify in any proceedings relating to said inventions, patent applications and Letters Patent.

The undersigned hereby authorize and request our attorneys of record to insert in the spaces indicated above, the serial number and filing date of the above-identified application for United States Letters Patent now identified by the attorney docket number and title set forth above, as soon as said serial number and filing date shall have been made known to them by the United States Patent and Trademark Office.
