Assignment of Patent Rights

In consideration of one dollars and other good and valuable consideration, the receipt of which is acknowledged, I, Hans G. Schantz, residing in Madison County, AL, do hereby sell and assign to the Q-Track Corporation having an office at 2223 Drake Avenue First Floor, Huntsville, AL 35805, (the Company), its successors and assigns, the entire rights, title, and interests in and to the invention and improvements in a U.S. Patent and Trademark Office patent application number 13/153,640, filed 06/06/2011, Titled: Inventory Control System and Method. This assignment includes rights to the forthcoming patent, any and all divisional, continuation, continuation-in-part, re-examination and reissue patent applications filed based on said invention and improvements thereof in the United States or in any country around the world; all rights of priority resulting from filing of any patent application based on said invention and improvements thereof, either in a national phase or under a treaty in force and effect anywhere around the world; and we hereby authorize and request any official whose duty it is to issue patents, to issue any and all patents on said invention and improvements thereof to the Company, its successor and assigns; and we hereby agree that upon request by the Company, its successors and assigns, and without further consideration, but at the expense of said Company, its successors and assigns, we shall perform all acts and execute all documents reasonably necessary or desirable, including making rightful oaths, testifying in court and communicating known facts, and generally doing everything possible to aid said Company, its successors and assigns, to secure patent rights in said invention and improvements thereof and to enforce and defend any patent rights in said invention and improvements thereof in any country around the world.
